  - 7.9.2 the sale of any shares held as treasury shares or the purchase or redemption of any shares by the Company (whether or not such shares are to be held in treasury).
- 7.10 For so long as one or more classes of C Shares are in issue and until Conversion, and without prejudice to its obligations under the Law the Company shall in relation to each class or classes of Ordinary Shares and C Shares (as appropriate):
- 7.10.1 procure that the Company's records and bank accounts shall be operated so that the assets attributable to the Ordinary Shares and the C Shares of the relevant class or classes (as appropriate) can, at all times, be separately identified and separate cash accounts shall be created and maintained in the books of the Company for the assets attributable to the Ordinary Shares and the C Shares of the relevant class or classes (as appropriate);
  - 7.10.2 allocate to the assets attributable to the Ordinary Shares and the C Shares of the relevant class or classes (as appropriate) such proportion of the expenses and liabilities of the Company as the Directors fairly consider to be attributable to the Ordinary Shares and C Shares of the relevant class or classes (as appropriate); and
  - 7.10.3 the Company shall give appropriate instructions to the Investment Manager and the Administrator to manage the Company's assets so that such undertaking can be complied with by the Company.
- 7.11 The C Shares are issued on such terms that they shall be redeemable by the Company in accordance with the terms set out in these Articles. At any time prior to Conversion, the Company may, subject to the provisions of the Law, at its discretion, redeem all or any of the C

Shares then in issue by agreement with any holder(s) thereof in accordance with such procedures as the Directors may determine (subject, where applicable, to the facilities and procedures of any Uncertificated System) and in consideration of the payment of such redemption price as may be agreed between the Company and the relevant holders of C Shares.

7.12 The C Shares of the relevant class shall be converted into New Shares of the corresponding class on the Conversion Date in accordance with the following provisions of this Article:

7.12.1 the Directors shall procure that:

- (a) the Company (or its delegate) calculates, within ten Business Days after the Calculation Date, the Conversion Ratio as at the Calculation Date and the numbers of New Shares to which each holder of C Shares shall be entitled on Conversion; and
- (b) the auditor (or such other suitably qualified person as the directors may determine) review whether, and certify, within three Business Days of the Calculation Date, that, such calculations have been performed in accordance with these Articles and the Company's latest published valuation methodology, and are arithmetically accurate whereupon, subject to the proviso in the definition of "Conversion Ratio" such calculations shall become final and binding on the Company and all members.

7.13 The Directors shall procure that, as soon as practicable following such certificate, an announcement is made to a Regulatory Information Service, advising holders of C Shares of the relevant class of the Conversion Date, the Conversion Ratio and the aggregate number of New Shares of the relevant class to which holders of C Shares of the relevant class are entitled on Conversion.

7.14 Conversion shall take place on the Conversion Date. On Conversion:

7.14.1 each issued C Share of the relevant class shall automatically convert and be re-designated into such number of New Shares as shall be necessary to ensure that, upon Conversion being completed, the number of New Shares equals the number of C Shares of the relevant class in issue at the Calculation Date multiplied by the Conversion Ratio (rounded down to the nearest whole New Share) (provided always that the Directors may deal in such manner as they think fit with fractional entitlements to New Shares of the relevant class, including, without prejudice to the generality of the foregoing, selling any such shares representing such fractional entitlements and retaining the proceeds for the benefit of the Company) and for such purposes any Director is hereby authorised as agent on behalf of the former holders of C Shares of the relevant class, in the case of a share in certificated form, to execute any stock transfer form and to do any other act or thing as may be required to give effect to the same including, in the

case of a share in uncertificated form, the giving of directions to or on behalf of the former holders of any C Shares of the relevant class who shall be bound by them;

7.14.2 forthwith upon Conversion, any certificates relating to the C Shares of the relevant class shall be cancelled and the Company shall issue to each such former holder of C Shares of the relevant class new certificates in respect of the New Shares which have arisen upon Conversion unless such former holder of any C Shares of the relevant class elects to hold their New Shares in uncertificated form;

7.14.3 the Company shall use its reasonable endeavours to procure that, upon Conversion, the New Shares are admitted to the trading on the London Stock Exchange; and

7.14.4 the directors shall be entitled to effect such and any conversions and/or consolidations and/or subdivisions and/or combinations of the foregoing (or otherwise as appropriate) as may have been or may be necessary to implement the conversion mechanics for C Shares as set out in these Articles or as they, in their discretion, consider fair and reasonable having regard to the interest of all shareholders.

7.15 Notwithstanding any other provision of these Articles, where the Company's shares are admitted to Premium Listing, where required by the Listing Rules, a vote must be decided by a resolution of the holders of the Company's shares that have been admitted to Premium Listing. In addition, where the Listing Rules require that a particular resolution must in addition be approved by the independent shareholders, only independent shareholders who hold the Company's shares that have been admitted to Premium Listing can vote on such separate resolution.

## 8. **SUBSCRIPTION SHARES**

### 8.1 Subscription Rights

8.1.1 A registered holder for the time being of a Subscription Share (a "**Subscription Shareholder**") shall have a right (a "**Subscription Right**") to subscribe in cash for one Ordinary Share by following the procedures set out in Article 8.1.7 below (in the case of Subscription Shares in certificated form) and in Article 8.1.8 below (in the case of Subscription Shares in uncertificated form).

8.1.2 Subscription Rights may be exercised for all or any of the Ordinary Shares to which an exercising holder's Subscription Shares relate:

- (a) up to 1.00 p.m. on any Business Day (but being not less than 10 Business Days prior to, and including, the last Business Day of the relevant month) but shall take effect as at 5.00 p.m. on the last Business Day of the relevant month, in the period between 1 March 2021 and 31 August 2021; and thereafter,

(b) up to 1.00 p.m. on any Business Day (but being not less than 10 Business Days prior to, and including, the last Business Day in February or August, whichever is next following) but shall take effect as at 5.00 p.m. on the last Business Day in February and August (whichever next follows the date of exercise) in each calendar year up to, and including, the date being ten Business Days prior to, and including, the last Business Day in February 2026 (the "**Final Subscription Date**"); and

(c) on any other date falling prior to the Final Subscription Date determined by the Directors in their absolute discretion from time to time,

(any date on which subscription occurs being a "**Subscription Date**").

8.1.3 The price per Ordinary Share payable on the exercise of Subscription Rights (the "**Subscription Price**") shall be determined by the Company as being equal to:

A less B (rounded up to the nearest whole penny payable in full in pounds sterling on subscription)

where:

"**A**" - is the Headline Subscription Price (as set out below); and

"**B**" – is the cumulative amount of all Dividends and Distributions paid in relation to an Ordinary Share up to the Subscription Date.

8.1.4 The Headline Subscription Price is:

<b>Where the Subscription Date is:</b>	<b>Headline Subscription Price (p)</b>
between 1 March 2021 and 31 August 2021	100.00
between 1 September 2021 and 28 February 2022	109.00
between 1 March 2022 and 28 February 2023	118.81
between 1 March 2023 and 29 February 2024	129.50
between 1 March 2024 and 28 February 2025	141.16
between 1 March 2025 and 28 February 2026	153.86

It is expected that an announcement setting out adjustments to the applicable Subscription Price will be made at the time the Dividend or Distribution is declared by the Company.

- 8.1.5 Each Subscription Share has a Subscription Right to one Ordinary Share, but the Subscription Price (and/or the number of Subscription Shares in issue) will be subject to adjustment as provided in Article 8.2 below.
- 8.1.6 The Subscription Shares registered in a holder's name will be evidenced by a Subscription Share certificate issued by the Company and, in the case of Subscription Shares in uncertificated form, by means of any Uncertificated System. The Company shall be under no obligation to issue a Subscription Share certificate to any person holding Subscription Shares in uncertificated form.
- 8.1.7 In order to exercise the Subscription Rights, in whole or in part, which are conferred by any Subscription Shares that are in certificated form, the Subscription Shareholder must lodge the relevant Subscription Share certificate(s) and a certificated subscription notice in such form as the Directors may specify from time to time (a "**Certificated Subscription Notice**") at the office of the registrars for the time being of the Company (the "**Company's Registrars**") by not later than 1.00 p.m. on the relevant Subscription Date, having completed a Certificated Subscription Notice, accompanied by a remittance for the aggregate Subscription Price for the Ordinary Shares in respect of which the Subscription Rights are exercised. Any notice of exercise received after 5.00 p.m. on any Business Day will be treated as having been received on the following Business Day. Once lodged, a Certificated Subscription Notice shall be irrevocable save with the consent of the Directors. Compliance must also be made with any statutory and regulatory requirements for the time being applicable.
- 8.1.8 The Subscription Rights which are conferred by any Subscription Shares that are in uncertificated form (CREST) on the relevant Subscription Date shall be exercisable, in whole or in part, (and treated by the Company as exercised) on the relevant Subscription Date if by not later than 1.00 p.m. on the relevant Subscription Date, (i) an Uncertificated Subscription Notice is received as referred to below and (ii) a remittance for the aggregate Subscription Price for the Ordinary Shares in respect of which the Subscription Rights are being exercised is received by the Company or by such person as it may require for these purposes in such form and subject to such terms and conditions as may from time to time be prescribed by the Directors (subject always to the facilities and requirements of the Uncertificated System concerned). For these purposes, an "**Uncertificated Subscription Notice**" shall mean an Unmatched Stock Event ("**USE**") instruction in CREST. Without prejudice to the generality of the foregoing, the effect of the Uncertificated Subscription Notice may be such as to divest the holder of the Subscription Shares concerned of the power to transfer such Subscription Shares to

another person. Once lodged, an Uncertificated Subscription Notice shall be irrevocable save with the consent of the Directors. To be effective, compliance must also be made with any statutory and regulatory requirements for the time being applicable. In particular, unless otherwise agreed with the Company, the exercising Subscription Shareholder must, on or before the Subscription Date, deliver to the Company Secretary at the Company's registered office a supplementary subscription notice (containing the representations and warranties set out in Article 8.9) in such form as the Directors may specify from time to time (a "**Supplementary Subscription Notice**").

- 8.1.9 Not earlier than 56 days nor later than 30 days before the Final Subscription Date, the Company shall give notice in writing to the holders of the outstanding Subscription Shares reminding them of their Subscription Rights.
- 8.1.10 Ordinary Shares to be issued pursuant to the exercise of Subscription Rights which are conferred by any Subscription Shares that are in certificated form will, subject to Article 8.1.14 below, be issued within ten Business Days of the first Business Day of the calendar month following the month in which the relevant notice of exercise of Subscription Rights was given, save in the case of the Final Subscription Date when the relevant Ordinary Shares will be issued not later than 14 days after the Final Subscription Date. The Ordinary Shares arising shall be issued with effect from the date of their issuance (and not the date upon which the notice of exercise is given or deemed to be given). Certificates in respect of such Ordinary Shares, together, if applicable, with a new share certificate for the balance of any Subscription Shares that are in certificated form in respect of which the Subscription Rights have not been exercised, will be despatched (at the risk of the person(s) entitled thereto) not later than 28 days after the relevant issuance date to the person(s) in whose name(s) the Subscription Share is/are registered at the date of exercise (and, if more than one, to the first-named, which shall be sufficient despatch for all) or (subject as provided by law and to the payment of stamp duty reserve tax or any like tax as may be applicable) to such other person(s) (not being more than four in number) as may be named in the form of nomination available for the purpose from the Company's Registrars (and, if more than one, to the first-named, which shall be sufficient despatch for all).
- 8.1.11 Ordinary Shares to be issued pursuant to the exercise of Subscription Rights which are conferred by Subscription Shares that are in uncertificated form will, subject to Article 8.1.14 below, be issued not later than ten Business Days from the first Business Day of the calendar month following the month in which the relevant notice of exercise of Subscription Rights was given and the Company shall procure that the appropriate instructions are given to enable such Ordinary Shares to be evidenced by means of the Uncertificated System as a holding of the person(s) in whose name(s), and under the same CREST Participant ID and Member Account ID, the Subscription Shares in respect

of which Subscription Rights have been exercised were registered as at the date of such exercise.

- 8.1.12 For the avoidance of doubt, unless the Directors otherwise determine or unless the regulations or the facilities or requirements of the Uncertificated System otherwise require, the Ordinary Shares issued on the exercise of any Subscription Rights shall be issued in certificated form where such Subscription Rights were conferred by Subscription Shares which were held in certificated form or in uncertificated form where such Subscription Rights were conferred by Subscription Shares which were held in uncertificated form.
- 8.1.13 Ordinary Shares allotted pursuant to the exercise of Subscription Rights will not rank for any Dividends or Distributions declared, paid or made on the Ordinary Shares by reference to a record date prior to the relevant issuance date but, subject thereto, will rank in full for all Dividends and Distributions declared, paid or made on the Ordinary Shares and otherwise will rank *pari passu* in all other respects with the Ordinary Shares in issue at the relevant issuance date, provided that, on any issuance falling to be made pursuant to Article 8.3.6 below, the Ordinary Shares to be issued shall not rank for any Dividend or Distribution declared, paid or made by reference to a record date prior to the date of actual issuance.
- 8.1.14 For so long as the Ordinary Shares are: (i) admitted to trading on the Specialist Fund Segment, or (ii) admitted to the Official List with a premium listing and to trading on the London Stock Exchange, it is the intention of the Company to apply to the FCA and/or to the London Stock Exchange (as may be required) for the Ordinary Shares issued pursuant to any exercise of Subscription Rights to be: (i) admitted to trading on the Specialist Fund Segment, or (ii) admitted to the Official List with a premium listing and to trading on the London Stock Exchange (as the case may be) and, if such an application is made, the Company will use all reasonable endeavours to obtain the admissions pursuant thereto not later than 28 days after the relevant Subscription Date. If at the time of exercise of any Subscription Rights, the Company is an approved investment trust, the Ordinary Shares arising pursuant to any exercise of Subscription Rights will be allotted subject to admission: (i) to trading on the Specialist Fund Segment, or (ii) admitted to the Official List with a premium listing and to trading on the London Stock Exchange (as the case may be).
- 8.1.15 The Subscription Shares and the Ordinary Shares arising on the exercise of Subscription Rights have not been and will not be registered under the U.S. Securities Act or the securities laws of any other Restricted Territory and the relevant exemptions have not been and will not be obtained from the securities commission or similar regulatory authority of any province of Canada. Save where agreed otherwise in writing by the Company, the Subscription Shares, the Subscription Rights and the Ordinary Shares to

be issued upon exercise of the Subscription Rights may not be offered, sold, resold, taken up, exercised, renounced, transferred or delivered, directly or indirectly, into or within any Restricted Territory or to any citizen or resident of any Restricted Territory or to, or for the account or benefit of any person who is a U.S. person within the meaning of Regulation S adopted under the U.S. Securities Act (a "**US Person**") (other than a Permitted US Person) (a "**Restricted Person**"). Restricted Persons may not exercise Subscription Rights. Persons subscribing for Ordinary Shares in connection with the exercise of Subscription Rights shall (unless otherwise agreed with the Company) be required to represent and warrant to the Company in the Certificated Subscription Notice or Supplementary Subscription Notice (as the case may be) that they are not a Restricted Person and that they are not subscribing for such Ordinary Shares for the account of any Restricted Person and are not subscribing with a view to the re-offer or re-sale of such Ordinary Shares, directly or indirectly, in any Restricted Territory and will not offer, sell, renounce, transfer or deliver, directly or indirectly, such Ordinary Shares in any Restricted Territory or to or for the benefit of any Restricted Person.

- 8.1.16 The exercise of Subscription Rights by any Subscription Shareholder or beneficial owner of the Subscription Shares who is a Restricted Person or the right of such a Subscription Shareholder or beneficial holder to receive the Ordinary Shares falling to be issued to them following the exercise of their Subscription Rights, will be subject to such other requirements, conditions, restrictions, limitations or prohibitions as the Company may at any time impose, in its sole discretion, for the purpose of complying with (or for avoiding any requirement which would otherwise arise to comply with) the securities laws of the United States (including, without limitation, the U.S. Securities Act, the U.S. Investment Company Act and any rules or regulations promulgated thereunder) and the laws of any other Restricted Territory.

## 8.2 Adjustments of Subscription Rights

The Subscription Price (and the number of Subscription Shares outstanding) shall from time to time be adjusted in accordance with the provisions of this Article 8.2 and the Company shall not take any of the actions which would require such an adjustment unless the Directors have authority to issue sufficient Subscription Shares and Ordinary Shares to implement such adjustment and to satisfy in full all Subscription Rights remaining exercisable without the need for passing any further resolutions of Shareholders:

- 8.2.1 if and whenever the Company shall allot to Ordinary Shareholders any Ordinary Shares by way of a bonus issue (but excluding, for the avoidance of doubt Ordinary Shares issued in lieu of a cash Dividend) on a date (or by reference to a record date) on or before the Final Subscription Date, the Subscription Price in force immediately prior to such allotment shall be adjusted by multiplying it by a fraction of which: (x) the numerator shall be the aggregate number of the issued Ordinary Shares immediately

before such allotment, and (y) the denominator shall be the aggregate number of the issued and allotted Ordinary Shares immediately after such allotment and such adjustment shall become effective as at the date of allotment of such Ordinary Shares;

- 8.2.2 if on a date (or by reference to a record date) on or before the Final Subscription Date, the Company makes any offer or invitation (whether by way of rights issue, open offer or otherwise but not being an offer to which Article 8.3.6 below applies or an offer made in connection with scrip dividend arrangements) to the holders of the Ordinary Shares (subject to such exclusions as may be necessary to deal with legal, regulatory or practical problems in any jurisdiction), or any offer or invitation (not being an offer to which Article 8.3.4 below applies) is made to such holders otherwise than by the Company, then the Company shall, so far as it is able, procure that at the same time the same offer or invitation is made to the then Subscription Shareholders as if their Subscription Rights had been exercisable and had been exercised on the date immediately preceding the record date for such offer or invitation on the terms (subject to any adjustment made previously pursuant to Articles 8.2.1 to 8.2.4) on which the same could have been exercised on that date, provided that, if the Directors so resolve in the case of any such offer or invitation made by the Company, the Company shall not be required to procure that the same offer or invitation is made to the then Subscription Shareholders but the Subscription Price shall be adjusted:
- (a) in the case of an offer of Ordinary Shares for subscription by way of rights (a "**Rights Offer**") at a price less than the market price of an Ordinary Share at the date of announcement of the terms of the offer, by multiplying the Subscription Price by a fraction of which the numerator is the number of Ordinary Shares in issue on the date of such announcement plus the number of Ordinary Shares which the aggregate amount payable for the total number of Ordinary Shares comprised in such Rights Offer would purchase at such market price and the denominator is the number of Ordinary Shares in issue on the date of such announcement plus the aggregate number of Ordinary Shares offered for subscription;
  - (b) in the case of a Rights Offer at a price less than the net asset value of an Ordinary Share at the date of announcement of the terms of the offer, or such other date as may be specified for this purpose by the Directors, the formula in (a) above shall apply save that the references to market price shall be substituted by references to net asset value; and
  - (c) in any other case, in such manner as the independent financial advisers (acting as experts and not arbitrators) appointed by the Directors shall report in writing to be fair and reasonable.

Any such adjustments shall become effective, in the case of (a) and (b) above, as at the date of issue of the Ordinary Shares which are the subject of the offer or invitation and, in the case of (c) above, as at the date determined by the independent financial advisers appointed by the Directors. For the purposes of this Article 8.2, and for the purposes of Article 8.3 and Article 8.4 below "**Market Price**" shall mean the average of the middle market quotations (as derived from Bloomberg or such other securities pricing service as shall be selected by the Directors) for one Ordinary Share for the five consecutive dealing days ending on the dealing day immediately preceding the day on which the market price is to be ascertained, making an appropriate adjustment if the Ordinary Shares to be issued pursuant to the offer or invitation do not rank, on some or all of the relevant dealing days, *pari passu* as to Dividends or Distributions with the Ordinary Shares in issue on those days and "net asset value" shall mean the value of the assets of the Company after deduction of all liabilities (including the costs of the Rights Offer) determined in accordance with the accounting policies adopted by the Company from time-to-time;

8.2.3 no adjustment will be made to the Subscription Price pursuant to Articles 8.2.1 to 8.2.2 above if it would result in an increase in the Subscription Price and, in any event, no adjustment will be made if such adjustment would (taken together with the amount of any adjustment carried forward under the provisions of this Article 8.2.3) be less than 1 per cent. of the Subscription Price then in force and on any adjustment the adjusted Subscription Price will be rounded down to the nearest whole penny. Any adjustment not so made and any amount by which the Subscription Price is rounded down will be carried forward and taken into account in any subsequent adjustment;

8.2.4 whenever the Subscription Price is adjusted as provided in accordance with Articles 8.2.1 to 8.2.3 above, the Company shall issue, for no payment, additional Subscription Shares, registered as fully paid, to each Subscription Shareholder at the same time as such adjustment takes effect. The number of additional Subscription Shares to which a Subscription Shareholder will be entitled shall be the number of existing Subscription Shares held by them multiplied by the fraction:

$$(A-B)/B$$

where

"A" = the Subscription Price which would have been payable if the Subscription Rights had been exercisable and had been exercised immediately prior to the relevant adjustment pursuant to Articles 8.2.1 to 8.2.3 above; and

"B" = the Subscription Price as adjusted pursuant to Articles 8.2.1 to 8.2.3 above.

Fractions of Subscription Shares will not be allotted to holders of Subscription Shares but all such fractions will be aggregated and, if practicable, sold in the market. The net proceeds will be paid to the Subscription Shareholders entitled thereto at the risk of such persons, save that amounts of less than £5.00 will be retained for the benefit of the Company. Subscription Share certificates relating to such additional Subscription Shares will, subject to Article 8.1.14 above, be issued within 21 days of the said adjustment taking effect or the Company will procure that appropriate instructions are given to enable the adjustment to be made to the Subscription Shareholder's holding of Subscription Shares in the Uncertificated System;

8.2.5 the Company shall give notice to holders of Subscription Shares within 28 days of any adjustment made pursuant to Articles 8.2.1 to 8.2.4 above, which will be notified through a Regulatory Information Service;

8.2.6 if a holder of Subscription Shares shall become entitled to exercise their Subscription Rights pursuant to Article 8.3.5 below, the Subscription Price payable on such exercise (but not otherwise) shall be reduced by an amount determined by the independent financial advisers appointed by the Directors in accordance with the following formula:

$$A = (B+C) - D$$

where:

"A" = the reduction in the Subscription Price;

"B" = the Subscription Price which would, but for the provisions of this Article 8.2.6, be applicable (subject to any adjustments previously made pursuant to Articles 8.2.1 to 8.2.4 above) if the Subscription Rights were exercisable on the date on which the Company shall become aware as provided in Article 8.3.4 below;

"C" = the average of the middle market quotations (as derived from Bloomberg or such other securities pricing service as shall be selected by the Directors) for one Subscription Share for the five consecutive dealing days ending on the dealing day immediately preceding the date of the announcement of the offer referred to in Article 8.3.4 below (or, where such offer is a revised offer, the original offer) or, if applicable and earlier, the date of the first announcement of the intention to make such offer or original offer or of the possibility of the same being made; and

"D" = the average of the middle market quotations (as derived from Bloomberg or such other securities pricing service as shall be selected by the Directors) for one Ordinary Share for the five consecutive dealing days ending on the dealing day immediately preceding the date of the announcement of the offer referred to in Article 8.3.5 below (or, where such offer is a revised offer, the original offer) or, if applicable and earlier,

the date of the first announcement of the intention to make such offer or original offer or of the possibility of the same being made,

provided that:

- (a) no adjustment shall be made to the Subscription Price where the value of D exceeds the aggregate value of B and C in the above formula; and
- (b) the Subscription Price shall be further adjusted to take account of the market value of the Subscription Shares (which shall be deemed to be equal to the value of C) having regard *inter alia* to the time value of money in such manner as the independent financial advisers appointed by the Directors shall report to be appropriate to achieve the same economic result for the Subscription Shareholders as if the Subscription Price had been reduced without regard to this proviso (ii).

The notice required to be given by the Company under Article 8.3.4 below shall give details of any reduction in the Subscription Price pursuant to this Article 8.2.6;

- 8.2.7 for the purpose of determining whether Article 8.3.5 below shall apply and accordingly whether each holder of a Subscription Share is to be treated as if their Subscription Rights had been exercisable and had been exercised as therein provided, the Subscription Price which would have been payable on such exercise shall be reduced by an amount determined by the independent financial advisers appointed by the Directors in accordance with the following formula:

$$A = (B+C) - D$$

where:

"A" = the reduction in the Subscription Price;

"B" = the Subscription Price which would, but for the provisions of this Article 8.2.7, be applicable (subject to any adjustments previously made pursuant to Articles 8.2.1 to 8.2.3 above) if the Subscription Rights were exercisable on the date on which the order or the effective resolution referred to in Article 8.3.6 shall be made or passed (as the case may be);

"C" = the average of the middle market quotations (as derived from Bloomberg or such other securities pricing service as shall be selected by the Directors) for one Subscription Share for the five consecutive dealing days ending on the dealing day immediately preceding the earliest of the following dates: (i) the date of an announcement by the Directors of their intention to convene a general meeting for the

purpose of passing a resolution, or to present a petition for a court order, to wind up the Company, (ii) the date of the notice of a general meeting convened for the purpose of passing a resolution to wind up the Company, (iii) the date of commencement of the winding up of the Company by the court, and (iv) the date of suspension by the relevant exchange of dealings in the Subscription Shares prior to the making of any such announcement by the Directors; and

"D" = the amount (as determined by the independent financial advisers appointed by the Directors) of the assets available for distribution in the liquidation of the Company in respect of each Ordinary Share, taking into account for this purpose the Ordinary Shares which would arise on exercise of all the Subscription Rights and the Subscription Price which would be payable on the exercise of such Subscription Rights (subject to any adjustments previously made pursuant to Article 8.2.1 to 8.2.4 above but ignoring any adjustment to be made pursuant to this Article 8.2.7),

provided that no adjustment shall be made to the Subscription Price where the value of D exceeds the aggregate value of B and C in the above formula.

8.2.8 Notwithstanding the provisions of Articles 8.2.1 to 8.2.7 above, in any circumstances, where the Directors shall consider that an adjustment to the Subscription Price provided for under the said provisions should not be made or should be calculated on a different basis or that an adjustment to the Subscription Price should be made notwithstanding that no such adjustment is required under the said provisions or that an adjustment should take effect on a different date or with a different time from that provided under the said provisions in order to give a result which is fair and reasonable, the Company may appoint independent financial advisers to consider whether for any reason whatsoever the adjustment to be made (or the absence of adjustment) would or might not appropriately reflect the relative interests of the persons affected thereby and, if the independent financial advisers appointed by the Directors (acting as experts and not as arbitrators) shall consider this to be the case, the adjustment shall be modified or nullified, or another adjustment made instead, or no adjustment made, in such manner including without limitation making an adjustment calculated on a different basis and/or to take effect from such other date and/or time as shall be reported by the independent financial advisers appointed by the Directors to be in their opinion appropriate in order to give a result which is fair and reasonable.

8.2.9 Where an event which gives or may give rise to an adjustment to the Subscription Price occurs whether in such proximity in time to another such event or otherwise in circumstances such that the Company in its absolute discretion determines that the foregoing provisions need to be operated subject to some modification in order to give a result which is fair and reasonable in all the circumstances such modification shall be made in the operation of the foregoing provisions as may be advised by the

independent financial advisers appointed by the Directors to be in their opinion appropriate in order to give such a result.

### 8.3 Other Provisions

So long as any Subscription Rights remain capable of exercise:

- 8.3.1 the Company shall not (except with the sanction of an Extraordinary Resolution of the Subscription Shareholders) on or by reference to a record date falling within the period of six weeks ending on the Final Subscription Date, make any such allotment as is referred to in Article 8.2.1 above or any such offer or invitation as is referred to in Article 8.2.2 above (except by extending to the Subscription Shareholders any such offer or invitation);
- 8.3.2 subject to Article 8.4 below, the Company shall not (except where sanctioned by the Subscription Shareholders in accordance with Article 8.5 below) in any way modify the rights attached to its existing Ordinary Shares as a class, or create or issue any new class of equity share capital except for shares which carry, as compared with the rights attached to the existing Ordinary Shares, rights which are not more advantageous as regards voting, dividend or return of capital (save as to the date from which such shares shall rank for Dividends or Distributions), provided that nothing herein shall restrict the right of the Company to increase, consolidate or sub-divide its share capital;
- 8.3.3 the Company shall not grant (or agree to grant) any option in respect of, or create any rights of subscription for, or conversion into, any Ordinary Shares, which, together with the aggregate number of any Ordinary Shares over which options or rights of subscription or conversion (including those of the Subscription Shares) shall be subsisting at the date of such grant or creation, would exceed in the aggregate 20 per cent. of the Ordinary Shares (excluding any treasury shares) then in issue, nor (except with the sanction of an Extraordinary Resolution of the Subscription Shareholders) will the Company grant (or offer or agree to grant) any such option in respect of, or create any such rights of subscription or conversion for, or issue any securities or loan capital carrying rights of conversion into, Ordinary Shares if the price at which any such option or right is exercisable is lower than the Subscription Price for the time being;
- 8.3.4 subject as provided in Article 8.3.5 below, if at any time an offer is made to all holders of Ordinary Shares (or all such holders other than the offeror and/or any company controlled by the offeror and/or persons acting in concert with the offeror) to acquire the whole or any part of the issued share capital of the Company and the Company becomes aware on or before the Final Subscription Date that as a result of such offer the right to cast a majority of the votes which may ordinarily be cast on a poll at a general meeting of the Company has or will become vested in the offeror and/or such

companies or persons as aforesaid, the Company shall give notice to the Subscription Shareholders of such vesting or pending vesting within 14 days of its becoming so aware, and each such Subscription Shareholder shall be entitled, at any time within the period of 30 days immediately following the date of such notice, to exercise their Subscription Rights on the terms (subject to any adjustments pursuant to Articles 8.2.1 to 8.2.4 and subject to Article 8.2.6 above) on which the same could have been exercised if they had been exercisable and had been exercised on the date on which the Company shall become aware as aforesaid. The publication of a scheme of arrangement under Part VIII of the Law providing for the acquisition by any person of the whole or any part of the issued share capital of the Company shall be deemed to be the making of an offer for the purposes of this Article 8.3.4 and references herein to such an offer shall be read and construed accordingly;

8.3.5 if under any offer as referred to in Article 8.3.4 above the consideration shall consist solely of the issue of ordinary shares of the offeror and the offeror shall make available to Subscription Shareholders an offer of securities to subscribe for ordinary shares in the offeror in exchange for the Subscription Shares, which the independent financial advisers appointed by the Directors shall consider to be fair and reasonable (having regard to the terms of the offer and any other circumstances which may appear to such independent financial advisers to be relevant), then a Subscription Shareholder shall not have the right to exercise their Subscription Rights on the basis referred to in Article 8.3.4 above and, subject to the offer referred to in Article 8.3.4 above becoming or being declared wholly unconditional and the offeror being in a position to acquire compulsorily the whole of the then issued share capital of the Company not already owned by it or its associates, any Director shall be irrevocably authorised as attorney for the holders of Subscription Shares who have not accepted the offer of Subscription Shares to subscribe for ordinary shares in the offeror in exchange for the relevant securities:

- (a) to execute a transfer of the Subscription Shares held by such holders in favour of the offeror in respect of Subscription Shares which are in certificated form (or to take or procure the taking of such action as shall be required in accordance with and subject to the Regulations and the facilities and requirements of the relevant system concerned, in respect of Subscription Shares which are in uncertificated form) in consideration of the issue of securities to subscribe for ordinary shares in the offeror as aforesaid whereupon all the Subscription Rights shall lapse; and
- (b) to do such acts and things as may be necessary or appropriate in connection therewith including to take account of the fact that Subscription Shares may be held in uncertificated form;

8.3.6 if:

- (a) an order is made or an effective resolution is passed for winding up the Company (except for the purpose of reconstruction, amalgamation, merger or unitisation on terms sanctioned by an Extraordinary Resolution of the Subscription Shareholders); and
- (b) in such winding up and on the basis that all Subscription Rights then unexercised had been exercised in full and the Subscription Price in respect thereof at the relevant Subscription Date had been received in full by the Company there would be a surplus available for distribution amongst the holders of the Ordinary Shares, including for this purpose the Ordinary Shares which would arise on exercise of all the Subscription Rights (taking into account any adjustments pursuant to Articles 8.2.1 to 8.2.4 and 8.2.7 above), which surplus would, on such basis, exceed in respect of each Ordinary Share a sum equal to such Subscription Price,

8.3.7 each Subscription Shareholder shall be treated as if immediately before the date of such order or resolution (as the case may be) his Subscription Rights had been exercisable and had been exercised in full on the terms (subject to any adjustments pursuant to Articles 8.2.1 to 8.2.4 and 8.2.7 above) on which the same could have been exercised if they had been exercisable and had been exercised in full but at any reduced Subscription Price immediately before the date of such order or resolution (as the case may be), and shall accordingly be entitled to receive out of the assets available in the liquidation *pari passu* with the holders of the Ordinary Shares such sum as they would have received had he been the holder of the Ordinary Shares to which he would have become entitled by virtue of such subscription after deducting a sum per Ordinary Share equal to the Subscription Price (subject to any adjustments pursuant to Articles 8.2.1 to 8.2.4 and 8.2.7 above). Subject to the foregoing, all Subscription Rights shall lapse on liquidation of the Company; and

8.3.8 notwithstanding Articles 8.3.1 to 8.3.6 above, the Company may, without the sanction of an Extraordinary Resolution of the Subscription Shareholders:

- (a) issue new Ordinary Shares at a price equal to or greater than Net Asset Value per Ordinary Share;
- (b) purchase any of its own share capital (whether by tender, by private treaty or through the market); and
- (c) hold its Ordinary Shares in treasury and sell any such Ordinary Shares held in treasury; and

nor will any such actions constitute a modification, alteration or abrogation of the rights attached to the Subscription Shares.

#### 8.4 Issue of C Shares

8.4.1 Notwithstanding the provisions of Article 8.3 above, a Qualifying C Share Issue (as defined in Article 8.4.2 below) shall not constitute a modification, alteration or abrogation of the rights attached to the Subscription Shares (and shall not require the sanction of an Extraordinary Resolution of the Subscription Shareholders) even though it may involve modification of the rights attached to the existing Ordinary Shares or the creation or issue of a new class of equity share capital if the Directors are of the opinion (having regard to all the circumstances) that such issue should not have any material dilutive effect on the Net Asset Value per Ordinary Share.

8.4.2 For this purpose, a "Qualifying C Share Issue" means an issue by the Company of C Shares which will, within twelve calendar months of the date of issue thereof, be converted into Ordinary Shares ranking pari passu in all respects with the Ordinary Shares then in issue (other than, if the case requires, as regards Dividends or Distributions declared, paid or made in respect of the financial year in which the conversion takes place) and may include the issue in connection therewith of Subscription Shares (whether on the same terms and conditions as the Subscription Shares or otherwise) and any matters reasonably incidental to the process by which such Shares are converted into Ordinary Shares, including but not limited to the creation, issue, sub-division, consolidation, redesignation, purchase, redemption or cancellation of any share capital of the Company, including share capital with preferred or deferred rights.

#### 8.5 Modification of Rights

All or any of the rights for the time being attached to the Subscription Shares may from time to time (whether or not the Company is being wound up) be altered or abrogated with the consent in writing from the holders of not less than seventy-five per cent. in value of the issued Subscription Shares or the sanction of a special resolution of the Subscription Shareholders passed at a separate class meeting, in accordance with Article 6.

#### 8.6 Purchase

The Company shall, subject to the requirements of the Law, have the right to purchase Subscription Shares in the market, by tender or by private treaty, but:

- (a) such purchases will be limited to the maximum price payable per Subscription Share as specified in the Listing Rules from time to time applicable to equity securities; and
- (b) if such purchases are by tender, such tender will be available to all Subscription Shareholders alike.

All Subscription Shares so purchased shall forthwith be cancelled and shall not be available for reissue or resale.

#### 8.7 Transfer

Each Subscription Share will be in registered form and will be transferable in accordance with the provisions of Article 14:

- (a) in the case of Subscription Shares held in certificated form, by an instrument of transfer in any usual or common form, or in any other form which may be approved by the Directors; and
- (b) in the case of Subscription Shares held in uncertificated form, by giving the appropriate instructions for transfer by means of the Uncertificated System.

No transfer of a fraction of a Subscription Share may be effected.

#### 8.8 General

8.8.1 The Company will, concurrently with the issue of the same to the holders of the Ordinary Shares, send to each Subscription Shareholder (or, in the case of joint holders, to the first named) a copy of each published annual report and accounts of the Company (or such abbreviated or summary financial statements sent to holders of Ordinary Shares in lieu thereof), together with all documents required by law to be annexed thereto, and a copy of every other statement, notice or circular issued by the Company to holders of Ordinary Shares.

8.8.2 For the purposes of this Article 8, "**Extraordinary Resolution of the Subscription Shareholders**" means a resolution proposed at a meeting of the Subscription Shareholders duly convened and quorate and passed by a majority consisting of not less than seventy-five per cent. of the votes cast, whether on a show of hands or on a poll.

8.8.3 Subject as provided in this Article 8, the provisions of these Articles relating to notice of meetings, untraced members, lost certificates and the registration, transfer and transmission of Ordinary Shares shall, *mutatis mutandis*, apply to the Subscription Shares as if they were Ordinary Shares.

8.8.4 Any determination or adjustment made pursuant to these terms and conditions by the independent financial advisers appointed by the Directors shall be made by them as experts and not as arbitrators and any such determination or adjustment made by them shall be final and binding on the Company and each of the Subscription Shareholders.

8.8.5 Subject to Article 8.3.6 above, Subscription Shares carry no right to any Dividend or Distribution by the Company and (save to the extent that the Directors elect in

connection with an exercise of Subscription Rights as provided in Article 8.8.10 below) no right to be redeemed (although the Company may elect to purchase Subscription Shares pursuant to Article 8.6 above). Subscription Shareholders are not entitled to attend or vote at meetings of Shareholders and, save as provided in Article 8.3.6 above, have no right to share in any surplus in the event of liquidation.

- 8.8.6 If, immediately after any Subscription Date (other than the Final Subscription Date) and after taking account of any Subscription Rights exercised on that date, Subscription Rights shall have been exercised or cancelled in respect of 75 per cent. or more of the Subscription Shares originally issued (subject to the adjustment of the number of Subscription Shares in accordance with Article 8.2 (excluding any Ordinary Shares to which Subscription Rights attached to Subscription Shares purchased by the Company or any of its subsidiaries relate but including any further Subscription Shares issued in accordance with the Articles)), the Company shall be entitled at any time within the next following 14 days to serve notice in writing on the holders of the Subscription Shares then outstanding of its intention to appoint a trustee for the purposes set out in this Article 8.8.6 (the "**Early Subscription Trustee**") upon the expiry of 21 days from the exercise of such notice (the "**Notice Period**") and for this purpose the Notice Period shall expire at 3.00 p.m. on the 21st day from the date of such notice. Such notice shall set out the Final Subscription Date and will include all necessary details and instructions to enable the exercise of the Subscription Rights. Forthwith after the expiry of the Notice Period, the Company shall appoint the Early Subscription Trustee who, provided that in such trustee's opinion the net proceeds of sale after deduction of all costs and expenses incurred by, and any fee payable to, such trustee will exceed the costs of exercising the Subscription Rights, shall within the period of 14 days following the expiry of the Notice Period either:
- (a) exercise all the Subscription Rights (or such proportion as it may in its absolute direction determine) which shall not have been exercised on the terms on which the same could have been exercised immediately prior to the expiry of the Notice Period and sell in the market the Ordinary Shares resulting from such exercise; or
  - (b) (if it appears to the Early Subscription Trustee that doing so is likely to realise greater net proceeds for Subscription Shareholders) accept any offer available to Subscription Shareholders for the purchase of the outstanding Subscription Shares (or such proportion of such Subscription Shares as the Early Subscription Trustee may in its absolute direction determine).

The Early Subscription Trustee shall distribute pro rata the proceeds of any such sale or acceptance of any such offer less, in either case, such costs of exercising the Subscription Rights and such other fees, costs and expenses to the persons entitled thereto (being, regardless of whether the Early Subscription Trustee has exercised all or

only a proportion of unexercised Subscription Rights or has accepted any offer for the purchase of all or only a proportion of the issued Subscription Shares, all holders of the Subscription Shares in issue immediately prior to such exercise or acceptance) at the risk of such persons as soon as practicable and in any event within 28 days after the expiry of the Notice Period, provided that entitlements of under £5.00 per Subscription Shareholder shall be retained for the benefit of the Company. Following the expiry of the Notice Period, if the Early Subscription Trustee shall not exercise the Subscription Rights within the period of 14 days following such expiry as set out in this Article 8.8.6 (and such trustee's decision in respect thereof shall, in the absence of unreasonableness, be final and binding on all holders of outstanding Subscription Shares), all Subscription Rights shall lapse. Where the Early Subscription Trustee exercises some but not all of such Subscription Rights or sells some but not all such Subscription Shares in accordance with this Article, any Subscription Rights which are not so exercised and all Subscription Rights attaching to Subscription Shares not so sold shall immediately lapse.

- 8.8.7 Within seven days following the Final Subscription Date the Company shall appoint a trustee (the "**Final Subscription Trustee**") who, provided that in such trustee's opinion the net proceeds of sale after deduction of all costs and expenses incurred by, and any fee payable to, such trustee will exceed the costs of exercising the Subscription Rights, shall within the period of 14 days following the appointment of the Final Subscription Trustee, either:
- (a) exercise all the Subscription Rights (or such proportion as it may in its absolute direction determine) which shall not have been exercised on the terms on which the same could have been exercised on the Final Subscription Date and sell in the market the Ordinary Shares resulting from such exercise; or
  - (b) (if it appears to the Final Subscription Trustee that doing so is likely to realise greater net proceeds for Subscription Shareholders) accept any offer available to Subscription Shareholders for the purchase of the outstanding Subscription Shares (or such proportion of such Subscription Shares as the Final Subscription Trustee may in its absolute direction determine).

The Final Subscription Trustee shall distribute pro rata the proceeds of any such sale or acceptance of any such offer less, in either case, such costs of exercising the Subscription Rights and such other fees, costs and expenses to the persons entitled thereto (being, regardless of whether the Final Subscription Trustee has exercised all or only a proportion of unexercised Subscription Rights or has accepted any offer for the purchase of all or only a proportion of the issued Subscription Shares, all holders of the Subscription Shares in issue immediately prior to such exercise or acceptance) at the risk of such persons within 56 days of the Final Subscription Date, provided that

entitlements of under £5.00 per Subscription Shareholder shall be retained for the benefit of the Company. If the Final Subscription Trustee shall not exercise the Subscription Rights within the period of 14 days following its appointment as set out in this Article 8.8.7 (and such trustee's decision in respect thereof shall be final and binding on all holders of outstanding Subscription Shares), all Subscription Rights shall lapse. Where the Final Subscription Trustee exercises some but not all of such Subscription Rights or sells some but not all such Subscription Shares in accordance with this Article, any Subscription Rights which are not so exercised and all Subscription Rights attaching to Subscription Shares not so sold shall immediately lapse.

8.8.8 The Company shall, in its discretion, as an alternative to the procedures in Articles 8.8.6 or 8.8.7 above have the right to make a payment to the holder of each outstanding Subscription Share of an amount equal to the Directors' best estimate of the amount which would be received by Subscription Shareholders were such procedures to be followed and upon making such payment the Subscription Rights shall lapse.

8.8.9 The Early Subscription Trustee or the Final Subscription Trustee (as appropriate) shall have no liability of any nature whatsoever where such trustee has acted honestly and reasonably and shall have no responsibility for the safe custody of, or to earn any interest on, any unpaid or unclaimed money.

8.8.10 The Company shall give effect to Subscription Rights in accordance with this Article 8.8.10 or in such other manner as may be authorised by law. For the purposes of this Article 8.8.10 the "**Relevant Shares**" shall mean those Subscription Shares in respect of which Subscription Rights are exercised.

(a) To enable such subscription to be effected, the Directors may determine to redeem the Relevant Shares on any Subscription Date for nil value. In the event that the Directors determine to redeem the same, a Relevant Share shall confer upon the holder thereof the right to subscribe for, and shall authorise the secretary of the Company (or any other person appointed for the purpose by the Directors) to subscribe as agent on such holder's behalf for, one Ordinary Share at the Subscription Price.

(b) In relation to any Relevant Shares that are to be redeemed in accordance with Article 8.8.10(a) above and that are, on any Subscription Date, in uncertificated form, the Directors shall be entitled in their absolute discretion to determine the procedures for the redemption of such Relevant Shares (subject always to the facilities and requirements of the Uncertificated System). Without prejudice to the generality of the foregoing, the procedures for the redemption of any such Relevant Shares may involve or include the sending by the Company or by any person on its behalf of an issuer instruction to the operator of Uncertificated

System requesting or requiring the deletion of any computer based entries in the relevant system concerned that relate to the holding of the Relevant Shares concerned, and/or the Company may, if the Directors so determine (by notice in writing to the holder concerned), require the holder of the Relevant Shares concerned to change the form of the Relevant Shares from uncertificated form to certificated form prior to the relevant Subscription Date.

- (c) Where the Subscription Rights attaching to any Subscription Shares have lapsed in accordance with the provisions of the Articles, such Subscription Shares will be redeemed for nil value.

8.8.11 The Directors may make such arrangements or regulations (if any) as they may from time to time in their absolute discretion think fit in relation to the evidencing, issue, conversion and transfer of uncertificated Subscription Shares, the payment of any monies in respect of uncertificated Subscription Shares and otherwise for the purpose of implementing and/or supplementing the provisions of these Articles and the Regulations and the facilities and requirements of the relevant system concerned; and such arrangements and regulations (as the case may be) shall have the same effect as if set out in these Articles.

## 8.9 Representations and warranties

Each holder of Subscription Shares (subject to certain exceptions) will, unless otherwise agreed by the Company, be required, prior to exercising Subscription Rights and receiving Ordinary Shares, to represent, warrant, agree and acknowledge in the Certificated Subscription Notice or Supplementary Subscription Notice (as the case may be), as follows:

- 8.9.1 He/she/it is not a US Person, is not located within the United States and is not accepting the Ordinary Shares issued upon exercise of the Subscription Rights for the account or benefit of a US Person.
- 8.9.2 He/she/it is accepting and/or acquiring the Ordinary Shares issued upon exercise of the Subscription Rights in an offshore transaction meeting the requirements of Regulation S adopted under the U.S. Securities Act.
- 8.9.3 He/she/it is not accepting and/or acquiring the Ordinary Shares issued upon exercise of the Subscription Rights with a view to the offer, sale, resale, transfer, delivery or distribution, directly or indirectly, of such Ordinary Shares issued upon exercise of the Subscription Rights into or within the United States.
- 8.9.4 He/she/it is aware that the Subscription Shares, the Subscription Rights and the Ordinary Shares issued upon exercise of the Subscription Rights have not been and will not be registered under the Securities Act and may not be offered or sold in the United

States or to, or for the account or benefit of, US Persons, absent registration or an exemption from registration under the U.S. Securities Act.

- 8.9.5 He/she/it is aware that the Company has not been registered under the U.S. Investment Company Act and that the Company has put in place restrictions for transactions not involving any public offering in the United States, to ensure that the Company is not and will not be required to register under the U.S. Investment Company Act.
- 8.9.6 No portion of the assets used by such investor to purchase, and no portion of the assets used by such investor to hold, the Subscription Shares and the Ordinary Shares or any beneficial interest therein constitutes or will constitute the assets of (i) an "employee benefit plan" as defined in Section 3(3) of ERISA (whether or not subject to the provisions of Title I of ERISA, but excluding plans maintained outside the US that are described in Section 4(b)(4) of ERISA); (ii) a plan, individual retirement account or other arrangement that is described in Section 4975 of the U.S. Tax Code, whether or not such plan, account or arrangement is subject to Section 4975 of the U.S. Tax Code; (iii) an insurance company using general account assets, if such general account assets are deemed to include assets of any of the foregoing types of plans, accounts or arrangements for purposes of Title I of ERISA or Section 4975 of the U.S. Tax Code ; or (iv) an entity which is deemed to hold the assets of any of the foregoing types of plans, accounts or arrangements that is subject to Title I of ERISA or Section 4975 of the U.S. Tax Code.
- 8.9.7 If in the future he/she/it decides to offer, sell, transfer, assign or otherwise dispose of the Subscription Shares or the Ordinary Shares, he/she/it will do so only under circumstances which will not require the Company to register under the U.S. Investment Company Act and, in particular, he/she/it will offer, sell, transfer, assign or otherwise dispose of such Subscription Shares or Ordinary Shares only in an offshore transaction to a person not known to be a US Person or to the Company or an affiliate of the Company.
- 8.9.8 He/she/it is not accepting and/or acquiring any Subscription Shares, Subscription Rights or Ordinary Shares issued upon exercise of the Subscription Rights from within any Restricted Territory and his/her/its acceptance of such Subscription Shares, Subscription Rights and Ordinary Shares will not result in the contravention of any applicable legal requirement in any jurisdiction.

## 9. **PRE-EMPTION RIGHTS**

- 9.1 Subject to the provisions of this Article 9, the Company shall not issue equity securities, nor sell them from treasury, for cash on any terms to a person unless:

- 9.1.1 it has made an offer to each person who holds equity securities of the same class in the Company to issue to him on the same or more favourable terms a proportion of those equity securities that is as nearly as practicable equal to the proportion in number held by him of the share capital of the Company of that class; and
- 9.1.2 the period during which any such offer may be accepted has expired or the Company has received notice of the acceptance or refusal of every offer so made,
- provided that the Directors may impose such exclusions and/or make such other arrangements as they deem necessary or expedient in relation to fractional entitlements or having regard to any legal or practical problems arising under the laws of any overseas territory or the requirements of any regulatory body or stock exchange in any territory or otherwise. The holders of equity securities affected as a result of such exclusions or arrangements shall not be deemed, or be deemed to be, a separate class of members for any purposes whatsoever.
- 9.2 Securities that the Company has offered to issue to a holder of equity securities in accordance with Article 9.1 above may be issued to him, or anyone in whose favour he has renounced his right to their issue, without contravening the restriction referred to in Article 9.1.
- 9.3 Shares held by the Company as treasury shares shall be disregarded for the purposes of the restriction referred to in Article 9.1.1, so that the Company is not treated as a person who holds shares; and equity securities held as treasury shares are not treated as forming part of the share capital of the Company.
- 9.4 Any offer required to be made by the Company pursuant to the restriction referred to in Article 9.1 should be made by a notice in writing (given in accordance with the notice provisions of these Articles) and must state a period of not less than 14 days beginning on the date on which such offer is deemed to be delivered or received (as the case may be) pursuant to the notice provisions of these Articles during which it may be accepted and the offer shall not be withdrawn before the end of that period.
- 9.5 The restriction referred to in Article 9.1 shall not apply in relation to the issue of:
- 9.5.1 bonus shares, Subscription Shares, any Ordinary Shares allotted and issued pursuant to the exercise of the Subscription Rights, shares issued in lieu of Dividend or Distribution, nor to a particular issue of equity securities if they are, or are to be wholly or partly paid otherwise than in cash; or
- 9.5.2 equity securities in connection with a rights issue, open offer or other offer of securities in favour of the holders of shares or a class of shares at such record date as the Directors may determine where the securities attributable to the interests of holders of shares or a class of shares are proportionate (as near as may be practicable) to the respective number of shares of that class held by them on such record date, subject to

such conditions or other arrangements as the Directors may deem necessary or expedient in relation to fractional entitlements or legal or practical problems arising under the laws of any jurisdiction or the requirements of any regulatory body or stock exchange or any other matter whatsoever.

9.6 Notwithstanding Articles 9.1 - 9.5 above, the Directors may be given by virtue of a Special Resolution the power to issue, or sell from treasury, equity securities either generally or in respect of a specific issue, or sale from treasury, such that:

9.6.1 Article 9.1 shall not apply to the issue of equity securities or otherwise or sale of equity securities from treasury; or

9.6.2 Article 9.1 shall only apply to the issue of equity securities, or sale of equity securities or otherwise from treasury with such modifications as the Directors may determine; and

the authority granted by the Special Resolution may be granted for such period of time as the Special Resolution permits and such authority may be revoked, repealed or varied by a further special resolution, provided that such special resolution must:

9.6.3 state the maximum number of equity securities in respect of which the restriction in Article 9.1 is excluded or modified; and

9.6.4 specify the date on which such exclusions or modifications will expire, which must be not more than five years from the date on which the resolution is passed.

9.7 Any such Special Resolution passed may:

9.7.1 be renewed or further renewed by a further Special Resolution for a further period not exceeding five years; and

9.7.2 be revoked or varied at any time by a further Special Resolution.

9.8 Notwithstanding that any such Special Resolution may have expired, the Directors may issue or sell from treasury equity securities in pursuance of an offer or agreement previously made by the Company if the resolution enabled the Company to make an offer or agreement that would or might require equity securities to be issued or sold from treasury after it expired.

## 10. **CALLS ON SHARES**

10.1 Subject to the terms of issue of the shares, the Directors may make calls upon the Members in respect of any moneys unpaid on their shares and each Member shall (subject to receiving at least fourteen Clear Days' notice specifying when and where payment is to be made) pay the Company as required by the notice the amount called on his shares. A call may be required to be paid by instalments. A call may, before receipt by the Company of any sum due thereunder,

be revoked in whole or part and payment of a call may be postponed in whole or part. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect whereof the call was made.

- 10.2 A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.
- 10.3 The Directors may, on issue of shares, differentiate between holders as to the amounts and times of payment of calls on their shares. Joint holders of a share shall be jointly and severally liable for the payment of all calls or other moneys in respect thereof.
- 10.4 Any sum which by the terms of issue of a share is made payable upon issuance or at any fixed date and any instalment of a call shall, for all purposes of this Article, be deemed to be a call duly made and payable on the date fixed for payment, and in case of non-payment the provisions of this Article as to payment of interest and expenses, forfeiture and the like, and all other relevant provisions of this Article shall apply as if such sum or instalments were a call duly made and notified as hereby provided.
- 10.5 If any Member shall fail to pay on or before the day appointed for payment thereof any call to which he may have become liable, he shall pay interest on the amount in arrears from the day appointed for payment thereof to the time of actual payment, at such rate, to be determined by the Directors from time to time, provided, however, that the Directors may remit the whole or any part of such interest. The Directors may also charge the person obliged to make the call any costs or expenses that have been incurred by the Company due to that non-payment. The Directors may, at their absolute discretion, waive payment of interest or charges under this Article.
- 10.6 No Member shall be entitled to receive any Dividend or Distribution or to receive notice of or attend or vote at any meeting or upon a poll, or to exercise any privileges as a Member until all calls or other sums due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid. The Directors may, at their absolute discretion, waive any suspension of rights under this Article.
- 10.7 The Directors may, if they think fit, receive from any Member willing to advance the same, all or any part of the money uncalled and unpaid upon the shares held by him beyond the sums actually called up thereon as payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is advanced, and upon the money so received or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received, the Company may (until the same would, but for such advance, become presently payable) pay interest at such rate as the Member paying such sum and the Directors agree upon provided that any amount paid up in advance of calls shall not entitle the holder of the shares upon which such

amount is paid to participate in respect thereof in any dividend or distribution until the same would but for such advance become presently payable.

## 11. **FORFEITURE**

- 11.1 If any Member fails to pay the whole or any part of a call on the day it becomes due and payable, the Directors may at any time thereafter during such time as the call or any part thereof, or any interest which shall have accrued thereon, remains unpaid, serve a notice on him requiring him to pay such call or such part thereof as remains unpaid, together with any accrued interest and together with any expenses that may have been incurred by the Company by reason of such non-payment.
- 11.2 The notice shall name a day, not being less than fourteen Clear Days from the date of the notice on or before which the call or such part as aforesaid and all interest and expenses that have accrued by reason of such non-payment are to be paid. It shall also name the place at which payment is to be made and shall state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which such call was made will be liable to be forfeited.
- 11.3 If the notice is not complied with, any shares in respect of which such notice has been given may at any time thereafter, before payment of all calls, interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all unpaid Dividends, Distributions, and interest due and to become due thereon and any moneys paid up in advance of calls.
- 11.4 Where any share has been forfeited in accordance with this Article, notice of the forfeiture shall forthwith be given to the holder of the share or the person entitled to the share by transmission, as the case may be, and an entry of such notice having been given of the forfeiture, with the date thereof, shall forthwith be made in the Register opposite the shares, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make such entry as aforesaid.
- 11.5 Notwithstanding any such forfeiture as aforesaid, the Directors may, at any time before the forfeited share has been otherwise disposed of, permit the share so forfeited to be reclaimed upon payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as they shall think fit.
- 11.6 Every share which shall be forfeited shall thereupon become the property of the Company and may be either cancelled, sold, re-allotted, re-issued, held as a treasury share or otherwise disposed of by the Directors, either to the person who was before forfeiture the holder thereof or entitled thereto, or to any other person, upon such terms and in such manner as the Directors shall think fit. The Directors may annul any forfeiture upon such terms as they shall think fit.

- 11.7 A Member whose shares have been forfeited shall, notwithstanding, be liable to pay to the Company all calls made or payable and not paid on such shares at the time of forfeiture, and interest thereon to the date of payment, and all expenses (whether then payable or not) in the same manner in all respects as if the shares had not been forfeited, and to satisfy all (if any) of the claims and demands which the Company might have enforced in respect of the shares at the time of the forfeiture, without any deduction or allowance for the value of the shares at the time of forfeiture.
- 11.8 The forfeiture of a share shall involve the extinction at the time of forfeiture of all interest in and all claims and demands against the Company in respect of the share, and all other rights and liabilities incidental to the share, as between the Member whose share is forfeited and the Company.
- 11.9 A declaration in writing that the deponent is a Director and that a share has been duly forfeited in pursuance of this Article, and stating the time when it was forfeited, shall, as against all persons claiming to be entitled to the share adversely to the forfeiture thereof, be conclusive evidence of the facts therein stated and the new holder thereof shall be discharged from all calls made and other moneys payable prior to such purchase or transfer.
- 11.10 Upon any sale after forfeiture, or for enforcing a lien in purported exercise of the powers herein given, the Directors may nominate some person to execute a transfer of the share sold in the name and on behalf of the registered holder or his legal personal representative and on such transfer being executed by the purchaser may cause the purchaser's name to be entered in the Register in respect of the shares sold and the purchaser shall not be bound to see to the regularity of the proceedings or to the application of the purchase money, and after his name has been entered in the Register in respect of such shares the validity of the sale shall not be impeached by any person and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.
- 11.11 The holder of a share that has been forfeited ceases to be a Member in respect of that share and the Member's name is deemed to have been removed from the Register on the date of forfeiture.

## 12. LIEN

- 12.1 The Company shall have a first and paramount lien on every share (not being a fully paid share) for all money (whether presently payable or not) called or payable at a fixed time in respect of that share, and the Company shall have a first lien on all shares (other than fully paid shares) standing registered in the name of a single person, whether he is the sole registered holder of the share or one of several joint holders, for all money payable by him or his estate to the Company notwithstanding that the same are joint debts or liabilities of such person or his estate

and any other person whether a Member or not. The Company's lien on a share shall extend to all Dividends and Distributions payable thereon.

12.2 Subject to the provisions of the Law with respect to Dividends and Distributions, the Directors may at any time, either generally or in a particular case, waive any lien that has arisen or declare any share to be wholly or in part exempt from the provisions of Article 12.1.

12.3 For the purpose of enforcing such lien the Directors may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such time as the moneys are presently payable and notice in writing stating the amount due and giving notice of intention to sell in default shall have been served on such Member or the person (if any) entitled by transmission to the shares and default shall have been made for fourteen Clear Days after such notice. The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities and engagements aforesaid, the residue (if any) shall be paid to the Member or the person (if any) entitled by transmission to the shares or who would be so entitled but for such sale.

### 13. **DISCLOSURE NOTICE, INFORMATION RIGHTS AND THE DISCLOSURE GUIDANCE AND TRANSPARENCY RULES**

13.1 The Company may, by notice in writing (a "**Disclosure Notice**") require a person whom the Directors know to be or have reasonable cause to believe is or, at any time during the three years immediately preceding the date on which the Disclosure Notice is issued, to have been interested in any shares:

13.1.1 to confirm that fact or (as the case may be) to indicate whether or not it is the case; and

13.1.2 to give such further information as may be required in accordance with these Articles, pursuant to Article 13.2.

13.2 A Disclosure Notice may (without limitation) require the person to whom it is addressed:

13.2.1 to give particulars of the person's status (including whether such person is a Non-Qualified Holder), domicile, nationality and residency;

13.2.2 to give particulars of his own past or present interest in any shares (held by him at any time during the three year period specified in these Articles, as set out in Article 13.1) and the nature of such interest;

13.2.3 to disclose the identity of any other person who has a present interest in the shares held by him (or held by him at any time during the three year period specified in Article 13.1 above);

13.2.4 where the interest is a present interest and any other interest in any shares subsisted during that three year period at any time when his own interest subsisted, to give (so

far as is within his knowledge) such particulars with respect to that other interest as may be required by the Disclosure Notice; and

- 13.2.5 where his interest is a past interest to give (so far as is within his knowledge) such particulars of the identity of the person who held that interest immediately upon his ceasing to hold it.
- 13.3 In addition to the right of the Company to serve notice on any person pursuant to Article 13.2 above, the Company may at any time and from time to time serve a notice in writing (an "**Information Notice**") on any Member requiring that Member to promptly provide the Company with any information, representations, certificates, waivers or forms ("**Information**") relating to such Member (and its direct or indirect owners or account holders or the persons beneficially interested, directly or indirectly in the shares in the Company held by such Member) that the Directors may determine from time to time is necessary or appropriate for the Company to have in order to (a) satisfy any account or payee identification, documentation or other diligence requirements and any reporting requirements imposed under or in relation to AML Legislation and/or International Tax Compliance Legislation; or (b) avoid or reduce any tax or penalty otherwise imposed by International Tax Compliance Legislation (including any withholding upon any payments to such Member by the Company); or (c) prevent a non-exempt prohibited transaction under ERISA or Section 4975 of the U.S. Tax Code or prevent the Company from becoming subject to laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the U.S. Tax Code; or (d) permit the Company to enter into, comply with, or prevent a default under or termination of, an agreement of the type described in section 1471(b) of the U.S. Tax Code or any equivalent under any International Tax Compliance Legislation. The Company and its agents shall be entitled to hold and process the Information for the purposes of carrying out the business of the Company and the administration and protection of its interests, and shall process any personal data in accordance with all applicable data protection legislation.
- 13.4 Each member shall promptly notify the Company upon any change in circumstances that could affect the accuracy or correctness of the information, representations, documents, certificates or forms provided pursuant to Article 13.3.
- 13.5 The Company or its agents shall, if required to do so under the legislation of any jurisdiction to which any of them are subject, be entitled to release or disclose any information in their possession regarding the Company or its affairs or any of its Members (or their direct or indirect owners or account holders), including without limitation information required under any International Tax Compliance Legislation. In making payments to or for the benefit of Members, the Company may also make any withholding or deduction required by any International Tax Compliance Legislation.

- 13.6 Chapter 5 of the Disclosure Guidance and Transparency Rules ("DTR5"), which on the basis incorporated into these Articles is as if the Company were a "UK issuer" as such term is defined by DTR5, requires members to notify the Company if the voting rights attached to shares in the Company held by them (subject to certain exceptions as set out in DTR5) reach, exceed or fall below three per cent. and each one per cent. threshold thereafter up to 100 per cent. Pursuant to these Articles, the Company may also send a notice (a "**DTR Notice**") to any person whom it knows or believes to be interested in its shares, requiring such person to confirm whether he has such an interest and, if so, details of that interest.
- 13.7 Any Disclosure Notice, Information Notice or DTR Notice issued or served by the Company shall require any information in response to such notice to be given within the prescribed period (which is 28 days after service of the notice or 14 days if the shares concerned represent 0.25 per cent. or more in number of the issued shares of the relevant class) or such other reasonable period as the Directors may determine.
- 13.8 If any member is in default in supplying to the Company the information required by the Company pursuant to Articles 13.1, 13.3 and 13.6 within the prescribed period or such other reasonable period as the Directors determine or provides information that is false in a material particular, the Directors in their absolute discretion may serve a direction notice on the member (a "**Direction Notice**"). The Direction Notice may direct that in respect of the shares in respect of which the default has occurred (the "**Default Shares**") the member shall not be entitled to vote in general meetings or class meetings. Where the Default Shares represent at least 0.25 per cent. in number of the class of shares concerned, the Direction Notice may additionally direct that dividends on such shares will be retained by the Company (without interest) and that, subject to the requirements of the London Stock Exchange, no transfer of the Default Shares (other than a transfer authorised under these Articles) shall be registered until the default is rectified. Subject always to the Regulations and the Rules and the London Stock Exchange, where the Directors have any grounds to believe that such Default Shares, are held by or for the benefit of or by persons acting on behalf of a Non-Qualified Holder, the Directors may at their discretion deem the Default Shares to be held by, or on behalf of or for the benefit of, a Non-Qualified Holder (as the Directors may determine) and that the provisions of these Articles, as set out in Article 14.13 below, should apply to such Default Shares.

#### 14. **TRANSFER OF SHARES**

- 14.1 Subject to the terms of these Articles, any Member may transfer all or any of his certificated shares by an instrument of transfer in any usual form or in any other form which the Directors may approve. An instrument of transfer of a certificated share shall be executed by or on behalf of the transferor and, unless the share is fully paid, by or on behalf of the transferee.
- 14.2 Every instrument of transfer of a certificated share shall be left at the Office or such other place as the Directors may prescribe with the certificate of every share to be transferred and such

other evidence as the Directors may reasonably require to prove the title of the transferor or his right to transfer the shares, and the transfer and certificate (if any) shall remain in the custody of the Directors but shall be at all reasonable times produced at the request and expense of the transferor or transferee or their respective representatives. A new certificate shall be delivered free of charge to the transferee after the transfer is completed and registered on his application and when necessary a balance certificate shall be delivered if required by him in writing.

14.3 Under and subject to the Regulations and the Rules, the Directors shall have power to implement such arrangements as it may, in its absolute discretion, think fit in order for any class of shares to be admitted to settlement by means of an Uncertificated System. Where it does so, the provisions of this Article 14 shall commence to have effect immediately prior to the time at which the relevant Authorised Operator admits the class to settlement by means of the relevant Uncertificated System.

14.4 In relation to any class of shares which, for the time being, an Authorised Operator has admitted to settlement by means of an Uncertificated System, and for so long as such class remains so admitted, no provision of these Articles shall apply or have effect to the extent that it is in any respect inconsistent with:-

14.4.1 the holding of shares of that class in Uncertificated form;

14.4.2 the transfer of title to shares of that class by means of that Uncertificated System; or

14.4.3 the Regulations or the Rules.

14.5 Subject to the terms of these Articles, any Member may transfer all or any of his uncertificated shares by means of an Uncertificated System authorised by the Directors in such manner provided for, and subject as provided, in the Regulations and the Rules and no provision of these Articles shall apply in respect of an uncertificated share to the extent that it requires or contemplates the effecting of a transfer by an instrument in writing or the production of a certificate for the shares to be transferred.

14.6 Without prejudice to the generality of Article 14.2 and notwithstanding anything contained in these Articles where any class of shares is, for the time being, admitted to settlement by means of an Uncertificated System:

14.6.1 such shares may be issued in uncertificated form in accordance with and subject as provided in the Regulations and the Rules;

14.6.2 unless the Directors otherwise determines, such shares held by the same holder or joint holder in certificated form and uncertificated form shall be treated as separate holdings;

- 14.6.3 such shares may be changed from uncertificated to certificated form, and from certificated to uncertificated form, in accordance with and subject as provided in the Regulations and the Rules;
  - 14.6.4 title to such of the shares as are recorded on the Register as being held in uncertificated form may be transferred only by means of the Uncertificated System and as provided in the Regulations and the Rules and accordingly (and in particular) no provision of these Articles shall apply in respect of such shares to the extent that those Articles require or contemplate the effecting of a transfer by an instrument in writing and the production of a certificate for the security to be transferred;
  - 14.6.5 the Company shall comply in all respects with the Regulations and the Rules;
  - 14.6.6 no provision of these Articles shall apply so as to require the Company to issue a certificate to any person holding such shares in uncertificated form;
  - 14.6.7 such shares are not to be regarded as forming a separate class from certificated shares of that class; and
  - 14.6.8 the maximum number of joint holders of a share shall be four.
- 14.7 The Directors may, in their absolute discretion and without giving a reason, refuse to transfer, convert or register any transfer of any share in certificated form or uncertificated form (subject to Article 14.8 below) which is not fully paid or on which the Company has a lien, provided in the case of a listed or quoted share that this would not prevent dealings in the share from taking place on an open and proper basis on the London Stock Exchange. In addition, the Directors may refuse to register a transfer of shares if:
- 14.7.1 it is in respect of more than one class of shares;
  - 14.7.2 it is in favour of more than four joint transferees;
  - 14.7.3 in relation to a share in certificated form, having been delivered for registration to the office or such other place as the Directors may decide, it is not accompanied by the certificate for the shares to which it relates and such other evidence as the Directors may reasonably require to prove title of the transferor and the due execution by him of the transfer or, if the transfer is executed by some other person on his behalf, the authority of that person to do so; or
  - 14.7.4 the transfer is in favour of any Non-Qualified Holder.
- 14.8 The Directors may only decline to register a transfer of an uncertificated share in the circumstances set out in the Regulations and the Rules, where, in the case of a transfer to joint

holders, the number of joint holders to whom the uncertificated share is to be transferred exceeds four.

- 14.9 Subject to such restrictions (if any) as may be imposed by the Regulations and/or the Rules, the registration of transfers of shares or of transfers of any class of shares may be suspended by giving such notices as may be required by the Regulations and/or the Rules at such times and for such periods (not exceeding thirty days in any year) as the Directors may determine.
- 14.10 No fee shall be charged for the registration of any instrument of transfer or, subject as otherwise provided in these Articles, any other document relating to or affecting the title to any share.
- 14.11 On the death of a Member, the survivors where the deceased was a joint holder and the executor or administrator of the deceased where he was a sole holder shall be the only persons recognised by the Company as having any title to or interest in his shares; but nothing herein shall release the estate of a deceased joint holder from any liability in respect of any share jointly held.
- 14.12 A person so becoming entitled to a share in consequence of the death, bankruptcy or incapacity of a Member or otherwise by operation of law (subject as hereinafter provided), upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, shall have the right to receive and may give a discharge for all dividends and other money payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, or save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS THAT** the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within 90 days the Directors may thereafter withhold all dividends or other monies payable or other advantages due in respect of the share until the requirements of the notice have been complied with.
- 14.13 If it shall come to the notice of the Directors that any shares are owned directly, indirectly or beneficially by a Non-Qualified Holder or a transfer of shares is in favour of any Non-Qualified Holder, the Directors may (i) refuse to register a transfer of such shares and/or (ii) serve a notice (a "**Transfer Notice**") upon the person (or any one of such persons where shares are registered in joint names) appearing in the Register as the holder (the "**Vendor**") of any of the shares concerned (the "**Relevant Shares**") requiring the Vendor within 21 days (or such extended time as in all the circumstances the Directors consider reasonable) to transfer (and/or procure the disposal of interests in) the Relevant Shares to another person who, in the sole and conclusive determination of the Directors, is not a Non-Qualified Holder (such a person being hereinafter called an "**Eligible Transferee**"). On and after the date of such Transfer Notice, and until registration of a transfer of the Relevant Share to which it relates pursuant to the provisions

referred to in this Article 14.13 or Article 14.14 below, the rights and privileges attaching to the Relevant Shares will be suspended and not capable of exercise.

- 14.14 If within 21 days after the giving of a Transfer Notice (or such extended time as in all the circumstances the Directors consider reasonable) the Transfer Notice has not been complied with to the satisfaction of the Directors, the Company may sell the Relevant Shares on behalf of the holder of them by instructing a member of the London Stock Exchange to sell them on arm's length terms to any Eligible Transferee or Eligible Transferees. For this purpose the Directors may authorise in writing any officer or employee of the Company or any officer or employee of the secretary of the Company or of any manager that may be appointed to transfer the Relevant Shares on behalf of the holder of them to the purchaser or purchasers and an instrument of transfer executed by that person will be as effective as if it had been executed by the holder of, or the person entitled by transmission to, the Relevant Shares. The purchaser will not be bound to see the application of the purchase monies nor will its title to the Relevant Shares be affected by an irregularity or invalidity in the proceedings relating to the sale or by the price at which the Relevant Shares are sold. The net proceeds of the sale of the Relevant Shares will be received by the Company, whose receipt will be a good discharge for the purchase moneys, and will belong to the Company and, upon their receipt, the Company will become indebted to the former holder of, or person entitled by transmission to, the Relevant Shares for an amount equal to the Net Proceeds of transfer upon surrender by it or them, in the case of certificated shares, of the certificate for the Relevant Shares which the Vendor shall immediately be obliged to deliver to the Company. No trust will be created in respect of the debt and no interest will be payable in respect of it. The Company will pay to the Vendor at its discretion or on demand by the Vendor the proceeds of transferring the Relevant Shares (less costs and expenses) but otherwise the Company will not be required to account for any money secured from the net proceeds of transfer which may be employed in the business of the Company or as it thinks fit. The Company may register the transferee as holder or holders of the Relevant Shares at which time the transferee will become absolutely entitled to them.
- 14.15 A person who becomes aware that it is a Non-Qualified Holder shall forthwith, unless it has already received a Transfer Notice pursuant to the provisions of Article 14.13 above, either transfer the shares to one or more Eligible Transferees or give a request in writing to the Directors for the issue of a Transfer Notice in accordance with the provisions of Article 14.13. Every such request shall, in the case of certificated shares, be accompanied by the certificate(s) for the shares to which it relates.
- 14.16 Subject to the provisions of these Articles, the Directors will, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the shares are held directly, indirectly or beneficially by a Non-Qualified Holder. The Directors may, however, at any time and from time to time call upon any holder (or any one of joint holders) of shares by notice in writing to provide such information and evidence as they require upon any matter connected

with or in relation to such holder of shares. In the event of such information and evidence not being so provided within such reasonable period (not being less than 21 days after service of the notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any share held by such a holder or joint holders as being held by a Non-Qualified Holder.

- 14.17 The Directors will not be required to give any reasons for any decision, determination or declaration taken or made in accordance with these provisions. The exercise of the powers conferred by the provisions of Article 14.13 and/or Article 14.14 and/or Article 14.15 and/or Article 14.16 above may not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct, indirect or beneficial ownership or holding of shares by any person or that the true direct, indirect or beneficial owner or holder of any shares was otherwise than as appeared to the Directors at the relevant date provided that the said powers have been exercised in good faith.

**15. DISCLOSURE OF BENEFICIAL INTERESTS**

- 15.1 The Directors, may by notice in writing require a Member to disclose to the Company whether they are holding their interest in the Company for their own benefit or the benefit of another person and if for the benefit of another person, the required details in respect of that person. A Member who receives such a notice under this Article must comply with that notice within such time as may be specified in the notice. If in the opinion of the Directors, a Member fails, without excuse, to disclose the details required by such notice or makes a statement in response to such notice which is false, deceptive or misleading in a material particular, the Directors may place such restrictions as they think fit on the rights attaching to the Member's interest in the Company including, without limitation any right to transfer the interest, any voting rights, any right to further shares in respect of the shares already held and any right to payment due to the Member's interest, whether in respect of capital or otherwise, forfeit or cancel the Member's interest in the Company. Any shares cancelled in accordance with this Article shall be treated as forfeited for the purposes of Articles 11.7, 11.8 and 11.11.

**16. THE REGISTER**

- 16.1 The Company shall keep a Register in accordance with the Law. The registration of transfers of shares may be suspended at such times and for such a period (not exceeding in aggregate thirty days in any calendar year) as the Directors may determine.
- 16.2 In the case of the death of a Member, the survivor or survivors where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole holder, shall be the only person or persons recognised by the Company as having any title to or interest in his shares; but nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share jointly held by him.

16.3 A person entitled to shares in consequence of the death or bankruptcy of a Member shall not be entitled to receive notice of or attend or vote at any meeting, or, save as aforesaid and save as regards the receipt of such Dividends or Distributions as the Directors shall not elect to retain, to exercise any of the rights and privileges of a Member, unless and until he shall have been registered as the holder of the shares.

## 17. **CERTIFICATES**

17.1 If the Company elects to issue share certificates, every Member shall be entitled to receive within one month after issue or lodgement of transfer (or within such other period as the conditions of issue shall provide) one certificate for all his shares or if the Member shall so request several certificates each for one or more of his shares.

17.2 Every certificate shall be signed in accordance with the common signature of the Company or on behalf of the registrar of the Company and shall specify the shares to which it relates, provided that in respect of a share or shares held jointly by several persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.

17.3 If a share certificate is defaced, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in connection with the matter and generally upon such terms as the Directors shall think fit.

## 18. **ALTERATION OF CAPITAL**

18.1 The Company may by Ordinary Resolution:

18.1.1 consolidate and divide all or any of its shares into shares of larger amounts than its existing shares;

18.1.2 sub-divide its shares, or any of them, into shares of smaller amount than is fixed by the Memorandum or Articles or Ordinary Resolution, such that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived;

18.1.3 cancel any shares which, at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of its shares by the amount of the shares so cancelled;

18.1.4 redesignate the whole, or any particular class, of its shares into shares of another class;

18.1.5 convert all or any of its shares the nominal amount of which is expressed in a particular currency or former currency into shares of a nominal amount of a different currency,

the conversion being effected at the rate of exchange (calculated to not less than three significant figures) current on the date of the resolution or on such other date as may be specified therein; and

18.1.6 where its shares are expressed in a particular currency or former currency, denominate or redenominate it, whether expressing its amount in units or subdivisions of that currency or former currency, or otherwise.

## 19. GENERAL MEETINGS

19.1 Subject to the Law and these Articles, the first general meeting of the Company shall be held within a period of not more than eighteen months from the day on which the Company was incorporated. Save as provided in the Law, an annual general meeting shall be held once in every calendar year (provided that no more than fifteen months may elapse between one annual general meeting and the next) at such time and place as the Directors shall appoint, and in default of an annual general meeting any Member may, not less than 14 days after the last date upon which the meeting ought to have been held, apply to the Court to make such order as the Court thinks fit.

19.2 Meetings other than annual general meetings shall be called general meetings.

19.3 The Directors may whenever they think fit convene a general meeting.

19.4 The Directors are required to call a general meeting in accordance with the Law once the Company has received Requisition Requests to do so from Members who hold more than ten per cent. of such of the capital of the Company that carries the right of voting at general meetings of the Company (excluding any capital held as treasury shares).

19.5 Where the Directors are required to call a general meeting in accordance with Article 19.4 they must call a general meeting within twenty one days after the date on which they became subject to the requirement and must hold the general meeting on a date not more than twenty eight days after the date of the notice convening the meeting.

19.6 Any general meeting may be held in Guernsey, or elsewhere, as the Directors may from time to time determine.

19.7 The provisions of this Article 19 are without prejudice to the rights of Members under the Law to rescind the waiver of the requirement to hold an annual general meeting and without prejudice to any powers of the directors to convene a general meeting without a Member's requisition.

19.8 A Member participating by video link or telephone conference call or other electronic or telephonic means of communication in a meeting shall be treated as forming part of the quorum

of that meeting provided that the Members present at the meeting can hear and speak to the participating Member.

- 19.9 A video link or telephone conference call or other electronic or telephonic means of communication in which a quorum of Members participates and all participants can hear and speak to each other shall be a valid meeting which shall be deemed to take place where the chairman is present unless the Members resolve otherwise.
- 19.10 If the Board, in its absolute discretion, considers that it is impractical or undesirable for any reason to hold a general meeting on the date or at the time or place specified in the notice calling the general meeting, it may postpone or move the general meeting to another date, time and/or place. The Board shall take reasonable steps to ensure that details of the date, time and place of the rearranged meeting are made available to any Member trying to attend the meeting at the original time and place. Notice of the business to be transacted at such rearranged meeting shall not be required. If a meeting is rearranged in this way, the appointment of a Proxy will be valid if it is received as required by these Articles not less than 48 hours (excluding any part of a day that is not a Business Day) before the time appointed for holding the rearranged meeting. The Board may also postpone or move the rearranged meeting under this Article.
- 19.11 In these Articles:
- 19.11.1 a “physical meeting” means a general meeting held and conducted by physical attendance by Members and/or proxies at a particular place; and
- 19.11.2 a “hybrid meeting” means a general meeting held and conducted by both physical attendance by Members and/or proxies at a particular place and by Members and/or proxies also being able to attend and participate by electronic means without needing to be in physical attendance at that place.
- 19.12 The Directors may decide in relation to any general meeting (including a postponed or adjourned meeting) whether the general meeting is to be held as a physical meeting or as a hybrid meeting and shall, for the avoidance of doubt, be under no obligation to convene a meeting as a hybrid meeting whatever the circumstances.
- 19.13 Subject to the requirements of the Law, the Directors may make such arrangements as they may decide in connection with the facilities for participation by electronic means in a hybrid meeting. In the case of a hybrid meeting, the provisions of these Articles shall be treated as modified to permit any such arrangements and, in particular:
- 19.13.1 references in these Articles to attending and being present at the meeting, including in relation to the quorum for the meeting and the right to vote at the meeting, shall be treated as including participating in the meeting by electronic means;

19.13.2 the meeting shall be duly constituted and its proceedings valid if the chairman of the meeting is satisfied that adequate facilities have been made available so that all persons (being entitled to do so) attending the hybrid meeting by electronic means, may:

- (a) participate in the business for which the meeting has been convened;
- (b) hear all persons who speak at the meeting; and
- (c) be heard by all other persons present at the meeting,

but under no circumstances shall the inability of one or more Members or proxies to access, or continue to access, the facilities for participation in the meeting despite adequate facilities being made available by the Company, affect the validity of the meeting or any business conducted at the meeting, provided that the meeting is quorate;

19.13.3 all resolutions put to members at a hybrid meeting, including in relation to procedural matters, shall be decided on a poll;

19.13.4 the Directors may authorise any voting application, system or facility in respect of the electronic platform for the hybrid general meetings as they may see fit; and

19.13.5 if it appears to the chairman of the meeting that the electronic facilities for a hybrid meeting have become inadequate for the purpose of holding the meeting then the chairman of the meeting may, with or without the consent of the meeting, interrupt or adjourn the meeting (before or after it has started) and the provisions in this Article 19 shall apply to any such adjournment. All business conducted at the hybrid meeting up to the point of the adjournment shall be valid.

19.14 In relation to electronic participation at a general meeting, the right of a Member to participate electronically shall include without limitation the right to speak, vote on a poll, be represented by a proxy and have access (including electronic access) to all documents which are required by the Law or these Articles to be made available at the meeting.

19.15 If, after the sending of notice of a hybrid meeting but before the meeting is held (or after the adjournment of a hybrid meeting but before the adjourned meeting is held), the Board considers that it is impracticable or unreasonable to hold the meeting at the time specified in the notice of meeting using the electronic facilities stated in the notice of meeting or made available prior to the meeting, they may change the meeting to a physical meeting, change the electronic facilities (and make details of the new facilities available in the manner stated in the notice of meeting), and/or postpone the time at which the meeting is to be held.

- 19.16 An adjourned general meeting or postponed general meeting may be held as a physical meeting or a hybrid meeting irrespective of the form of the general meeting which was adjourned or postponed.
- 19.17 The Directors or the chairman of the meeting may make any arrangement and impose any requirement or restriction they or he consider appropriate to ensure the security of a hybrid meeting including, without limitation, requirements for evidence of identity that is:
- 19.17.1 necessary to ensure the identification of those taking part and the security of the electronic communication; and
- 19.17.2 proportionate to those objectives.
- 19.18 The Directors may from time to time make such arrangements for controlling the level of attendance at any particular place being used for a general meeting (whether involving the issue of tickets or the imposition of some other means of selection or otherwise) as they shall in their absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that arrangements are in place to hold a hybrid meeting in accordance with the provisions of Articles 19.12 to 19.17.

## 20. **NOTICE OF GENERAL MEETINGS**

- 20.1 Unless special notice is required in accordance with the Law, all general meetings shall be called by not less than ten days' notice in writing. The notice shall specify the place, the date and the time of the meeting, and in the case of any proposed Special Resolution, Waiver Resolution or Unanimous Resolution, the text of such proposed resolution and notice of the fact that the resolution proposed is proposed as a Special Resolution, Waiver Resolution or Unanimous Resolution (as applicable) and the general nature of the business to be dealt with at the meeting and shall be given to such persons as are, by these Articles or the Law, entitled to receive such notices from the Company, provided that a meeting of the Company shall, notwithstanding that it is called by shorter notice than that specified in this Article, be deemed to have been duly called if it is so agreed by all the Members entitled to attend and vote thereat.
- 20.2 The accidental failure to provide notice of a meeting, or to send any other document to a person entitled to receive such notice or document, shall not invalidate the proceedings at that meeting or call into question the validity of any actions, resolutions or decisions taken.
- 20.3 All Members are deemed to have agreed to accept communications from the Company by Electronic Means in accordance with Article 41.
- 20.4 A Member present, either in person or by proxy, at any meeting of the Company or of the holders of any class of shares in the Company, is deemed to have received notice of the meeting and, where required, of the purpose for which it was called.

20.5 Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register, has been duly given to a person from whom he derives his title.

## 21. **ELECTION AND POWERS OF CHAIRMAN**

21.1 The chairman of any general meeting shall be either:

21.1.1 the chairman of the Directors;

21.1.2 in the absence of the chairman or if the Directors have no chairman, then the Directors shall nominate one of their number to preside as chairman;

21.1.3 if neither the chairman of the Directors nor the nominated Director are present at the meeting, then the Directors present at the meeting shall elect one of their number to be the chairman;

21.1.4 if only one Director is present at the meeting then he shall be chairman of the general meeting; or

21.1.5 if no Directors are present at the meeting, then the Members present shall elect a chairman for the meeting by an Ordinary Resolution.

21.2 The chairman of the general meeting shall conduct the meeting in such a manner as he thinks fit and may adjourn the meeting from time to time and from place to place, but no business shall be transacted at an adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. In addition, the chairman may limit the time for Members to speak.

## 22. **RIGHT OF DIRECTORS TO SPEAK**

A Director of the Company shall be entitled to attend and speak at any general meeting and at any separate meeting of the holders of any class of shares in the Company, regardless of whether that Director is a Member of the Company or of the relevant class.

## 23. **PROCEEDINGS AT GENERAL MEETINGS**

23.1 No business shall be transacted at any general meeting unless a quorum is present. Two Members present in person or by proxy and entitled to vote shall be a quorum. Where the Company has only one Member the quorum shall be one Member present at the meeting in person or by proxy.

- 23.2 Unless the Directors direct otherwise, the rights of a Member to vote at a general meeting are suspended if that Member has failed to pay any sum due and owing on his share, whether that sum is due as a result of a failure to pay a call or otherwise.
- 23.3 If within half an hour after the time appointed for a meeting a quorum is not present, the meeting, if convened by or upon the requisition of Members as hereinbefore provided, shall be dissolved. If otherwise convened, it shall stand adjourned to the same day in the next week (or if that day be a public holiday in Guernsey to the next working day thereafter) at the same time and place and no notice of such adjournment need be given. At any such adjourned meeting, those Members who are present in person or by proxy shall be a quorum. If no Members are present at the adjourned meeting, the meeting shall be dissolved.
- 23.4 The chairman, with the consent of any meeting at which a quorum is present may (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more, seven Clear Days' notice at the least specifying the place, the date and the time of the adjourned meeting shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting.
- 23.5 Every question submitted to a general meeting shall be determined in the first instance by a show of hands of the Members present in person or by proxy or by attorney and entitled to vote, but a poll may be demanded by no fewer than five Members having the right to vote on the resolution, or one or more of the Members present in person or by proxy representing at least ten per cent. of the total voting rights of all of the Members having the right to vote on the resolution. Unless a poll is duly demanded in accordance with these Articles, a declaration by the chairman that a resolution has been carried or lost or has or has not been carried by any particular majority and an entry to that effect in the minutes of the proceedings of the Company shall be conclusive evidence of the fact, without proof of the number, proportion or validity of the votes recorded in favour of or against such resolution.
- 23.6 If a poll is demanded, it shall be taken at the meeting at which the same is demanded or at such other time and place as the chairman shall direct, and the result of such poll shall be deemed the resolution of the meeting. The demand for a poll may be withdrawn.
- 23.7 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.
- 23.8 If a poll shall be duly demanded upon the election of a chairman or on any question of adjournment, it shall be taken at once.

23.9 In case of an equality of votes, either on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place, or at which the poll is taken, as the case may be, shall have a second vote if he is a Member and a casting vote if he is not a Member.

24. **VOTES OF MEMBERS**

24.1 Subject to any rights or restrictions attached to any shares, on a show of hands, every Member present in person or by proxy and entitled to vote shall have one vote, and on a poll every Member present in person or by proxy shall have one vote for each share held by him, but this provision shall be subject to the conditions with respect to any special voting powers or restrictions for the time being attached to any shares which may be subject to special conditions.

24.2 Where there are joint registered holders of any share any one of such persons may vote at any meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto; and if more than one of such joint holders be present at any meeting personally or by proxy that one of the said persons so present in person or by proxy whose name stands first in the Register in respect of such share shall alone be entitled to vote in respect thereof.

24.3 Any Member being under any legal disability may vote by his guardian or other legal representative. Any one of such persons may vote either personally or by proxy or by attorney.

24.4 Upon a poll votes may be given personally or by proxy or by attorney and it shall not be necessary for a proxy or attorney to be entitled to attend the meeting in his own right. Deposit of an instrument of proxy shall not preclude a Member from attending and voting at the meeting or any adjournment thereof.

24.5 Subject to the provisions of the Law, the instrument appointing a proxy shall be in any common form or in such other form as the Directors may approve and whether sent to the Company in writing or in electronic form it shall be made under the hand of the appointor or of his attorney duly authorised in writing or if the appointor is a corporation under its common seal or under the hand of an officer or attorney duly authorised in that behalf.

24.6 The appointment of a proxy and the power of attorney or other authority (if any) under which it is signed, or a copy of such authority certified notarially or in some other way approved by the Directors, shall:

24.6.1 in the case of an instrument in writing (including, whether or not the appointment of proxy is by Electronic Means, any such power of attorney or other authority) be deposited at the Office, or at such other place or places as determined by the Directors or as is specified in the notice convening the meeting or in any notice of any adjourned meeting or in any appointment of proxy sent out by the Company in relation to the meeting, not less than forty eight hours (excluding any part of any day which is not a

Business Day) before the time of the holding of the meeting or adjourned meeting at which the person named in the appointment proposes to vote; or

24.6.2 in the case of an appointment by Electronic Means, where a Relevant Electronic Address has been specified for the purpose of receiving documents or information in electronic form (in the notice convening the meeting, or in any instrument of proxy sent out by the Company in relation to the meeting or in any invitation in electronic form to appoint a proxy issued by the Company in relation to the meeting) be received at such address not less than forty eight hours (excluding any part of any day which is not a Business Day) before the time for holding the meeting or adjourned meeting at which the person named in the appointment proposes to vote,

in default of which the proxy shall not be treated as valid unless the Directors otherwise determine in their discretion.

24.7 Any Member shall be entitled to appoint by power of attorney some person, whether a Member or not, to act as his attorney for the purposes of receiving notices of general meetings and attending general meetings and voting thereat, and upon such power of attorney being deposited at the Office together with a notice from the attorney giving his address, an entry thereof shall be made in the Register and all notices of meetings held during the continuance in force of such power of attorney shall be served upon the attorney thereby appointed as if such attorney were a Member of the Company and registered owner of the shares, and all notices, except where otherwise herein expressly provided, shall be deemed duly served if served upon such attorney in accordance with these Articles, and the attorney shall be entitled to attend any general meetings held during the continuance of his appointment and to vote thereat in respect of the shares of any Member appointing him, such vote to be exercised either personally or by proxy appointed by the attorney in accordance with these Articles. Every such power shall remain in full force notwithstanding the death of or its revocation by other means by the grantor, unless and until express notice in writing of such death or revocation shall have been given to the Company.

24.8 A vote given or poll demanded in accordance with the terms of an instrument of proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll, unless a notice of the determination of the proxy, or of the authority under which the proxy was executed, shall have been received by the Company at the Office before the commencement of the meeting or adjourned meeting at which the proxy is used.

24.9 Subject to the Law, a Written Resolution to which the requisite majority of Eligible Members have, within twenty eight days of the date of circulation of such Written Resolution, signified their agreement shall be as effective as if the same had been duly passed at a general meeting.

25. **CORPORATIONS ACTING BY REPRESENTATIVES AT MEETINGS**

Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Members, and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Member.

26. **APPOINTMENT OF DIRECTORS**

26.1 Unless otherwise determined by Ordinary Resolution, the number of Directors shall not be subject to any maximum and the minimum number shall be one.

26.2 A person must not be appointed as a Director unless he has, in writing, consented to being a Director and declared that he is not ineligible to be a Director under the Law.

26.3 A Director need not be a Member but shall be entitled to receive notice of and attend all general meetings of the Company.

26.4 Subject to Article 26.1, at each annual general meeting of the Company all Directors shall retire from office and be eligible for re-election by the Members by Ordinary Resolution.

26.5 A Director who retires at an annual general meeting may, if willing to continue to act, be elected or re-elected at that meeting. If he is elected or re-elected he is treated as continuing in office throughout. If he is not elected or re-elected, he shall retain office until the end of the meeting or (if earlier) when a resolution is passed to appoint someone in his place or when a resolution to elect or re-elect the Director is put to the meeting and lost.

26.6 No person shall, unless recommended by the Directors, be eligible for election to the office of Director at any general meeting unless not less than three nor more than twenty one days before the date appointed for the meeting there shall have been left at the Office notice in writing signed by a Member duly qualified to attend and vote at the meeting for which such notice is given, of his intention to propose such person for election, and also notice in writing signed by that person of his willingness to be elected and containing a declaration that he is not ineligible to be a Director in accordance with the Law.

26.7 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. Any Director so appointed shall hold office only until the next following annual general meeting and shall then be eligible for re-appointment.

26.8 The Company in general meeting may by Ordinary Resolution appoint another person in place of a Director removed from office under Article 31, and without prejudice to the powers of the

Directors under Article 26.7 the Company may by Ordinary Resolution appoint any person to be a Director either to fill a casual vacancy or as an additional Director. There shall be no requirement for the appointment of two or more Directors to be considered separately.

26.9 The Directors may at any time appoint one or more of their body to be holder of any executive office including the office of managing Director on such terms and for such periods as they may determine.

## 27. **REMUNERATION OF DIRECTORS**

27.1 Unless otherwise determined by the Company by way of Ordinary Resolution, the remuneration of the Directors shall be determined by the Directors in their absolute discretion on or after the incorporation of the Company, provided that the aggregate amount of such fees shall not exceed the annual equivalent of £500,000 (or such other sum as the Company may determine from time to time by way of Ordinary Resolution). Such remuneration shall be deemed to accrue from day to day.

27.2 The Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings of the Company or in connection with the business of the Company.

27.3 If any Director, being willing, shall be called upon to render or to perform and shall render or perform extra or special services of any kind or shall travel or go or reside in any country not his usual place of residence for any business or purposes of the Company, he shall be entitled to receive such sum as the Directors may think fit for expenses and also such remuneration as the Directors may think fit, either as a fixed sum or as a percentage of profits or otherwise, and such remuneration may, as the Directors shall determine, be either in addition to or in substitution for any other remuneration he may be entitled to receive, and the same shall be charged as part of the ordinary working expenses.

27.4 The Company may pay a gratuity or pension or allowance on retirement to any Director who has held any other salaried office or place of profit with the Company or to his widow or dependants and make contributions to any fund and pay premiums for the purchase or provision of any such gratuity pension or allowance.

## 28. **DIRECTORS' INTERESTS**

28.1 A Director must, immediately after becoming aware of the fact that he is interested in a transaction or proposed transaction with the Company, disclose to the Directors the nature and extent of his interest, in each case unless the transaction or proposed transaction is between the Director and the Company, and is to be entered into in the ordinary course of the Company's business and on usual terms and conditions.

- 28.2 A Director may not vote or be counted in the quorum on a resolution of the Directors or committee of the Directors concerning a contract, arrangement, transaction or proposal to which the Company is or is to be a party and in which he has an interest which (together with any interest of any person connected with him) is, to his knowledge, a material interest (otherwise than by virtue of his interest in shares or debentures or other securities of or otherwise in or through the Company) but, in the absence of some other material interest than is mentioned below, this prohibition does not apply to a resolution concerning any of the following matters:
- 28.2.1 the giving of a guarantee, security or indemnity in respect of money lent or obligations incurred by him or any other person at the request of or for the benefit of the Company or any of its subsidiaries;
  - 28.2.2 the giving of a guarantee, security or indemnity in respect of a debt or obligation of the Company or any of its subsidiaries for which he himself has assumed responsibility in whole or in part, either alone or jointly with others, under a guarantee or indemnity by the giving of security;
  - 28.2.3 a contract, arrangement, transaction or proposal concerning an offer of shares, debentures or other securities of the Company or any of its subsidiaries for subscription or purchase, in which offer he is or may be entitled to participate as a holder of securities or in the underwriting or sub-underwriting of which he is to participate;
  - 28.2.4 a contract, arrangement, transaction or proposal to which the Company is or is to be a party concerning another company (including any subsidiary of the Company) in which he (and any persons connected with him) is interested and whether as an officer, Member, creditor or otherwise, if he (and any persons connected with him) does not to his knowledge hold an interest in shares representing one per cent. or more of any class of the equity share capital of or the voting rights in the relevant company (or of any other company through which his interest is derived);
  - 28.2.5 a contract, arrangement, transaction or proposal for the benefit of employees of the Company or any of its subsidiaries which only awards him a privilege or benefit generally accorded to the employees to whom it relates; and
  - 28.2.6 a contract, arrangement, transaction or proposal concerning the purchase or maintenance of any insurance policy for the benefit of Directors or for the benefit of persons including Directors.
- 28.3 For the purposes of this Article 28 a person shall be treated as being connected with a Director if that person is:

- 28.3.1 a spouse, child (under the age of eighteen) or step child (under the age of eighteen) of the Director; or
- 28.3.2 an associated body corporate which is a company in which the Director alone, or with connected persons, is directly or indirectly beneficially interested in 20 per cent. or more of the value of the equity share capital or is entitled (alone or with connected persons) to exercise or control the exercise of more than 20 per cent. of the voting power at general meetings; or
- 28.3.3 a trustee (acting in that capacity) of any trust, the beneficiaries of which include the Director or persons falling within Articles 28.3.1 and 28.3.2 above excluding trustees of an employees' share scheme or pension scheme; or
- 28.3.4 a partner (acting in that capacity) of the Director or persons in Articles 28.3.1 to 28.3.3 above.
- 28.4 Subject to the provisions of the Law, and provided that he has disclosed to the other Directors in accordance with the Law the nature and extent of any interest of his, a Director notwithstanding his interest, may be counted in the quorum present at any meeting at which he or any other Director is appointed to hold any such office or place of profit under the Company, or at which the terms of any such appointment are arranged or at which any contract between the Director and the Company are considered, and he may vote on any such appointment or arrangement other than his own appointment or the arrangement of the terms thereof. Where proposals are under consideration concerning the appointment (including without limitation fixing or varying the terms of appointment or its termination) of two or more Directors to offices or places of profit with the Company or a company in which the Company is interested, such proposals shall be divided and a separate resolution considered in relation to each Director. In such case each of the Directors concerned (if not otherwise debarred from voting under these provisions) is entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.
- 28.5 Subject to the provisions of the Law, and provided that he has disclosed to the other Directors in accordance with the Law the nature and extent of any interest of his, a Director notwithstanding his office, may hold any other office or place of profit under the Company (other than the auditor) in conjunction with his office of Director for such period and on such terms (as to remuneration and otherwise) as the Directors may determine and no Director or intending Director shall be disqualified by his office from contracting with the Company either with regard to his tenure of any such office or place of profit or as vendor, purchaser or otherwise nor shall any such contract or any contract or arrangement entered into by or on behalf of the Company in which any Director so contracting or being so interested be liable to account to the Company for any profits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established.

- 28.6 Any Director may act by himself or his firm in a professional capacity for the Company (other than auditor) and he or his firm shall be entitled to remuneration for professional services as if he were not a Director.
- 28.7 For the purposes of this Article:
- 28.7.1 a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified; and
- 28.7.2 an interest of which a Director is unaware shall not be treated as an interest of his.
- 28.8 If a question arises at a meeting as to the materiality of a Director's interest (other than the interest of the chairman of the meeting) or as to the entitlement of a Director (other than the chairman) to vote or to be counted in a quorum and the question is not resolved by his voluntarily agreeing to abstain from voting or being counted in the quorum, the question shall be referred to the chairman and his ruling in relation to the Director concerned is conclusive and binding on all concerned.
- 28.9 If a question arises at a meeting as to the materiality of the interest of the chairman of the meeting or as to the entitlement of the chairman to vote or be counted in a quorum and the question is not resolved by his voluntarily agreeing to abstain from voting or being counted in the quorum, the question shall be decided by resolution of the Directors or committee members present at the meeting (excluding the chairman) whose majority vote is conclusive and binding on all concerned.
- 28.10 A Director may continue to be or become a director, managing director, manager or other officer, employee or member of any company promoted by the Company or in which the Company may be interested or with which the Company has entered into any transaction, arrangement or agreement, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or member of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the Company or exercisable by them as directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to the directors, managing directors, managers or other officers of such company).
- 28.11 Any Director who, by virtue of office held or employment with any other body corporate, may from time to time receive information that is confidential to that other body corporate (or in

respect of which he owes duties of secrecy or confidentiality to that other body corporate) shall be under no duty to the Company by reason of his being a Director to pass such information to the Company or to use that information for the benefit of the Company, in either case where the same would amount to breach of confidence or other duty owed to that other body corporate.

## 29. **POWERS AND DUTIES OF DIRECTORS**

- 29.1 The business and affairs of the Company shall be managed by, or under the direction or supervision of the Directors who may pay all expenses incurred in promoting and registering the Company, and may exercise all such powers necessary for managing, and for directing and supervising the management of, the business and affairs of the Company as are not, by the Law or by these Articles, required to be exercised by the Company in general meeting, subject, nevertheless, to any of these Articles, to the Memorandum, to the provisions of the Law and to such regulations as may be prescribed by the Company by Special Resolution provided that such regulations are not inconsistent with these Articles, the Memorandum or the Law; but no regulation made by the Company shall invalidate any prior act of the Directors which would have been valid if that regulation had not been made.
- 29.2 For the avoidance of doubt, the Directors may exercise all the powers of the Company to borrow or raise money (including the power to borrow for the purpose of redeeming shares) and secure any debt or obligation of or binding on the Company in any manner including by the issue of debentures (perpetual or otherwise) and to secure the repayment of any money borrowed raised or owing by mortgage, charge, pledge or lien upon the whole or any part of the Company's undertaking property or assets (whether present or future) and also by a similar mortgage charge pledge or lien to secure and guarantee the performance of any obligation or liability undertaken by the Company or any third party.
- 29.3 The Directors shall cause minutes to be made in books provided for the purpose:
- 29.3.1 of all appointments of officers or appointees made by the Directors and of the terms of reference of such appointments;
  - 29.3.2 of all powers of attorneys made by the Directors;
  - 29.3.3 of the names of the Directors present at all meetings of the Company and of the Directors and of committees of the Directors; and
  - 29.3.4 of all resolutions and proceedings at all meetings of the Company, of the Directors and of committees of the Directors.
- 29.4 The Directors may make terms of reference including rules of procedure for all or any committees save for committees of directors, which prevail over rules derived from these Articles and in the absence of any such rules, such committees must follow procedures which are

based as far as they are applicable on those provisions of these Articles which govern the taking of decisions by Directors.

29.5 A power of attorney given by the Company shall be valid if executed by the Company under the common signature of the Company

### 30. **DIRECTORS' INSURANCE**

Subject to the provisions of the Law and without prejudice to the provisions of Article 44, the Directors shall have the power to purchase and maintain insurance for or for the benefit of any persons who are or were at any time Directors, officers or employees of the Company, or of any other company which is its holding company or in which the Company or such holding company or any of the predecessors of the Company or of such holding company has any interest whether direct or indirect or which is in any way allied to or associated with the Company, or of any subsidiary undertaking of the Company or of any such other company, including (without prejudice to the generality of the foregoing) insurance against any liability incurred by such persons in respect of any act or omission in the actual or purported execution and/or discharge of their duties and/or the exercise or purported exercise of their powers and/or otherwise in relation to or in connection with their duties, powers or offices in relation to the Company or any other such company or subsidiary undertaking.

### 31. **RETIREMENT AND REMOVAL OF DIRECTORS**

31.1 The office of Director shall, ipso facto, be vacated:

31.1.1 if he resigns his office by giving notice in writing to that effect to the Company at the Office, which notice shall be effective upon such date as may be specified in the notice, failing which upon delivery thereof to the Office;

31.1.2 if he shall have absented himself (such absence not being absence with leave or by arrangement with the Directors on the affairs of the Company) from meetings of the Directors for six months in succession and the other Directors shall have resolved that his office shall be vacated;

31.1.3 if he becomes bankrupt, suspends payment or compounds with his creditors, or is adjudged insolvent or has his affairs declared *en désastre* or has a preliminary vesting order made against his Guernsey realty;

31.1.4 if he dies;

31.1.5 if he becomes ineligible to be a Director in accordance with the Law;

31.1.6 if he becomes of unsound mind or incapable or an order is made by a court having jurisdiction (whether in Guernsey or elsewhere) in matters concerning mental disorder

for his detention or for the appointment of a receiver, curator or other person to exercise powers with respect to his property or affairs;

31.1.7 if he is removed by resolution of the Directors in writing signed by all his co-Directors (being not less than two in number) provided that, until the date of such written resolution, his acts as a Director shall be as effectual as if his office were not vacated; or

31.1.8 if the Company shall by Ordinary Resolution declare that he shall cease to be a Director (in which case there shall be no requirement for the removal of two or more Directors to be considered separately).

31.2 No person shall be or become incapable of being appointed a Director by reason of having attained the age of 70 or any other age and no Director shall be required to vacate his office at any time by reason of the fact that he has attained the age of 70 or any other age.

## 32. **PROCEEDINGS OF DIRECTORS**

32.1 The Directors may meet together for the despatch of business, adjourn and otherwise regulate their meetings, as they think fit.

32.2 Questions arising at any meeting shall be decided by a majority of votes and in the case of an equality of votes, the chairman shall have a second or casting vote.

32.3 A Director may, and the Secretary on the requisition of a Director shall, summon a meeting of the Directors.

32.4 Subject to the provisions hereof, a meeting of Directors or of a committee of Directors may be validly held notwithstanding that such Directors may not be in the same place provided that:

32.4.1 they are in constant communication with each other throughout by telephone, television or some other form of communication; and

32.4.2 all Directors entitled to attend such meeting so agree.

A person so participating in the meeting shall be deemed to be present in person and shall accordingly be counted in the quorum and be entitled to vote. Such a meeting shall be deemed to take place where the chairman of the meeting then is.

32.5 The quorum necessary for the transaction of the business of the Directors may be fixed by the Directors and, unless so fixed, shall be two, except that where the number of Directors has been fixed at one pursuant to Article 26.1, a sole Director shall be deemed to form a quorum.

32.6 If and for so long as there is a sole Director, he may exercise all the powers conferred on the Directors by these Articles by resolution in writing signed by him.

- 32.7 The continuing Directors or sole continuing Director may act notwithstanding any vacancy in their body, but, if and so long as their number is reduced below the number fixed by or pursuant to these Articles as the necessary quorum of the Directors, the continuing Directors or Director may act for the purpose of increasing the number of Directors to that number or of summoning a general meeting of the Company, but for no other purpose.
- 32.8 The Directors may elect a chairman of their meetings and determine the period for which he is to hold office; but if no such chairman is elected, or if at any meeting the chairman is not present within five minutes of the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
- 32.9 The Directors may delegate any of their powers to committees consisting of such member or members of their body as they think fit; any committee so formed shall in the exercise of the powers so delegated conform to any regulations that may be imposed on it by the Directors.
